Be it resolved that we the messengers to the Sandy Creek Baptist meeting in annual session of this 23rd day of October, 1986, express our opposition to vouchers and other methods of funding religious education with public monies because all such methods unfairly require taxpayers to support sectarian schools....Copy to be sent to the Baptist Joint Committee on Public Affairs.

Knowing this church so well, I can see them choosing a very special person for each special task. We just thank Rocky River Church for hosting the last day of our annual meeting. This is the day that the Lord has made, let us rejoice and be glad in it.

Moderator presiding. The vote on the proposed constitutional addition. James McGhee offered the following amendment: The officers of the association shall be elected on the first day of the annual meeting. The Nominating Committee shall present and distribute its recommendations in a written report. If desired, nominations may be made from the floor. Where more than one person is nomimated for a position, the election to that office shall be by secret ballot. The New officers shall take office at the close of the annual meeting at which they are elected.

Gerald Bridges, a member of the constitution committee stated that they had very little time to come up with a change. Ron Farrar moved that this addition be tabled and turned back to the constitution committee to be presented at the next annual meeting. This carried.

47. Nominating Committee report was given from p. 29 of the Book of Reports by Terry McInnis. It will be found in this Annual in the front as Directory of the Association.

48. Memorial Service was led by Mrs. Gilbert McDowell.

It is more than fitting and proper that we pause in the deliberations of this association to pay tribute to the members of our churches who have "crossed the bar" since meeting last year. It is a glorious thing for a man to live as a Christian; and it is a victorious thing for a man to die as a Christian. "Blessed are the dead that die in the Lord, from henceforth, yea saith the Spirit: for they shall rest from their labors." The Lord has received unto himself 118 of our beloved brethern and sisters; of this number there were 11 deacons and 2 ministers. Our hearts go out in sympathy to those who suffer this loss, but we rejoice with those who are with the Lord, for to this end they believed, they lived, they served. Those who died in the Lord have not lived in vain, but their lives sill enrich those among whom they lived.

49. Ernest Davis, DOM, installed the officers for the coming year.

50. Special music was rendered by David Early accompanied by Mrs. Robert Pomeranz.

51. The Annual Sermon was preached by Allen Overton, pastor of Sandy Branch. Using as his text Matthew 5:43, he made the following observations: 1) we all need friends, 2) people need love and hunger for it, 3) we are being rocked to sleep with false priorities. A church without love is no church at all; Christians without love are no Christians at all; according to Paul without love it profiteth you nothing. Therefore. let Jesus love through you.

52. Benediction and Blessing prayed by Gene Booker.

HISTORY OF TRAMWAY BAPTIST CHURCH

In 1959, Jonesboro Heights, in conference moved to found a mission in the Tramway community using money from the estate of Elva Bryan McIver. A four room dwelling was rented, and the service to organize was held in 1959. In Feb. 1960, Larry Williams, a student at Southeastern was called as pastor. Under his leadership, a full church program was attained, and a ground-breaking service was held in 1961 to erect the first brick unit. A service of constitution was held on Sunday, Oct. 7, 1962, at which time Bob Phillips was called as pastor. There were 65 charter members of the Tramway Baptist Church. For the third time this 24 year old church has hosted the Sandy Creek Association. They report 140 in Sunday School and 341 church members. They have all of the Brotherhood and WMU organizations, and are supporting the Southern Baptist programs. Tramway has grown consistently during its short history. Sunday School Report

Challenge 10/90 is a challenge to increase Sunday School enrolment to ten million by September 1990. Why set a goal to increase the number of people studying God's Word every Sunday? Because the Word of God, as set forth in the Bible and taught by dedicated teachers, will transform the distraught to the peaceful, the unhappy to the joyous, the aimless to the purposeful, the lost to the saved.

The association team provided leadership training for about 103 persons April 7 at Sandy Branch. Our plans for leadership in '87 are to move the time to Sept. 28-29 in order to train new teachers and leaders before they start their work. Each church is asked to elect an outreach leader and an inreach leader. The outreach leader is to keep an updated prospect file and assign prospects to individual class outreach leaders. Inreach leaders' purpose is to enroll in Sunday School all resident church members and their families who are not presently enrolled and enroll them in Bible study.

James Medlin, Sunday School Director

Church Training Report

"Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly divining the word of truth." This passage of scripture from 2 Timothy has been one of the classic passages used through the years by the Church Training program. The theme for the year 1986-87 will be "Sovereignty and Stewardship".

"M" Night in '85 was held at Sanford First Baptist with Maurice Cooper from the NCSC as the speaker. Leonard Harris directed the music; Oakley won both of the banners. Two boys from Gum Springs, Matthew Wellman and Scott Petty won the Associational Children's Bible Drill; they went on to the state drills in Asheboro. We have most of the Equipping Center Modules at the Associational Office.

Nell Morgan, CT Director

WMU Report

This year will be remembered as the year of tremendous change and growth in our lives. As we celebrated N.C. WMU's 100th birthday, we looked back into the past and saw the dedicated, determined, spirit-filled women yesterday. How our hearts and memories were stirred as we celebrated by seeing the costumes and hearing again WMU's history.

The year was most rewarding for me as I saw WMU Directors in many churches excited about their church having the best missions offerings ever, and better attendance at the mission study classes.

Mildred Brewer, WMU Director

A Word From Polly also:
We have had our 86-87 Leadership Workshop. It was well attended by 129 ladies at Goldston. Thank you, Goldston for hosting us. Our theme for 86-87 is "Gifted to Serve--Called to Act."

Stewardship Report

To propose a budget to fund programming through each Associational Department that would educate, promote, and motivate the people in each area of work in the local and Association is one area of work for the Stewardship Committee.

To propose program funding that would use monies available to present the Good News of Jesus Christ to those who would possibly not hear otherwise. To teach through Stewardship Training (help from local, Associational, and State levels) that stewardship is more than giving - it is using our total resources (time, talent, money, material possessions) to reach people. Only by working together and giving, as is our responsibility, can the mission of the Church and Association be met.

Stewardship Committee
Linuel Efird, Chairman

Baptist Hospital Report

During the past year, Baptist Hospital admitted 23,535 patients who came from all across N.C., from 31 other states and D.C., and 8 patients from outside the U.S. An additional 252,043 ambulatory patients were seen in the outpatient clinics and emergency room. These people came to Baptist Hospital because it has the medical expertise and the technical equipment required to provide the health care they needed.

Carbon dioxide laser is now being used to treat some cases of early vocal chord cancer; four types of lasers are used in treating eye problems; a new lithotripter uses energy shock waves to break up large kidney stones. This year the medical center has begun an emergency helicopter service. The school of pastoral care continues its outreach through its seven satellite center.

During the past fiscal year, Baptist churches of N.C. gave $566,307 through the cooperative program and $374,238 through the N.C. Missions Offering. These gifts help make possible two ministries: Pastoral care and benevolent care.

James McGhee, Representative

Missions Report

This year has been an exciting year for our mission outreach. Three ojectives were set by our mission committee, and all three have been accomplished. The first two can be lumped together. First to expand our ministry to the migrants, and second to start a ministry at Jordan Lake. We were fortunate to have Tim Burris this summer working on both of these missions.

The third objective was to establish a mission in the St. Andrews community. This goal was reached through the efforts of Ernest Davis, the churches in our association, the eight Christians who are now active members, interim pastor, Dudley Sistrunk, and other dedicated individuals who have contributed time and effort.

The new mission is called the Hunt Springs Baptist Mission. It is now in the process of purchasing land and calling a pastor. Thank you for your prayers, support, and personal involvement.

Glenn Hancock, Missions Director

Youth Report

This year was one of challenge and growth for our Associational Youth Council as we put into action our plan of SHARED MINISTRY coordinating the areas of evangelism, education, missions, and music. Youth ministry events for the year included a Youth Retreat at Camp Caraway on March 21-22 led by a five-member BSU team from N.C. State University with 55 youth and leaders attending from seven churches, and the annual Spring Field Day at Brush Creek on May 17 with 125 present. This year the Field Day was organized by the Youth Council's Missions Committee which collected over 100 cans of food for the migrant missions pantry. The Youth Council also purchased several books to begin a collection of youth ministry resources and references in our associational media center.

Vacation Bible School Report

The Vacation Bible School Clinic was held April 24, 1986 at Jonesboro Heights Baptist Church with 86 in attendance. We enrolled 2,249 in VBS from the 24 churches that returned the VBS Report to the Associational office.

There was an average attendance of 1916 who attended during the week. $2,176.08 was received for the VBS Missions Offering.

Eight churches held Adult VBS, VBS is NOT just for kids anymore. A special thanks to the Associational VBS team.

Carroll Tesseniar
Associational VBS Director

Music Report

It's been a great year in our association and I hope each church has received blessings unbounded.

We had a wonderful time at the Evangelism Conference and the wonderful rehearsals that we enjoyed. Thanks to Rev. Bordeaux for inspiring us and giving us a chance to use the music from our revival book"Good News America". I hope the music was a great help in your revival services.

Also, it was nice to have four churches represented at the regional leadershops in Durham. The churches represented were: Juniper Springs, Flat Springs, Oakley and Brookdale. We were few in number but I really enjoyed the fellowship.

There will be a Mass Choir from the Sandy Creek Association to sing for M Night at Siler City First Baptist Church at 7:30 P.M. The choir will sing songs of B.B. McKinney, all musicians, directors, choir members are welcome to take part.

Leonard Harris, Music Director

Media Report

We have checked out our film strip projector and TV with the VCR many times this past year.

Music and modules are still being used by different churches.

The Association has just purchased new modules, thanks to the church training department. They are: 1) Moments with the Master, 2) Issues Facing Southern Baptists, 3) Discipleship in the Home, 4) Adventures in Christian

Service, 5) Equipping Teachers to Teach, 6) Life After Death.

We encourage to use the Associational Media Library. Its here for you.

Faye Davis, Media Library Director

Brotherhood Report

This first year of being Associational Brotherhood Director has basically been a learning year for me. I have had the opportunity to be involved in two weekend Associational Brotherhood Training sessions at Caraway Conference Center this past church year. Because of the fine training that I received from the staff of the state Brotherhood office, I feel like I know which direction to take in leading the Baptist Men of our Association in Mission involvement. I will be enlisting a Brotherhood Council of men across the Association to work with me. We had a great Brotherhood workshop this past year with very good attendance. Men of the Association have been involved in the Camp Caswell restoration through the year. I have had the opportunity to go into two churches this past year to speak to the men about the work of North Carolina Baptist Men. I am willing to go into churches and speak about the great work of North Carolina Baptist Men if needed.

Terry Thompson

Director of Missions' Report

Good News America, God Loves You. This was our national theme and also the one our association adopted for the past association year. What a powerful theme for any people to adopt.

This has been an exciting year to work with you in the Sandy Creek Baptist Association and I share with you just a few of the things I have participated in: Shared and worked with serveral Pastor Search Committees and pastors, preached two revivals, participated in several individual conferences, supplied four weeks for one church, promoted the office work, attended pastor's prayer services, attended several state conferences, helped begin the Hunt Springs Mission (formerly the St. Andrews Baptist Mission).

For this year of 1986-87, our association has adopted the theme "Good News through Cooperative Sharing." As we begin the new associational year, let us remember that the Christian Church is concerned with all people, and that man's basic need is spiritual. With this in mind, I encourage each of us to engage in the great effort of winning people to Christ.

Ernest Davis, DOM

Christian Education Report

The annual observance of Baptist Seminary, College and School Day in Feb. is a major promotional effort to inform Southern Baptist churches of the uniqueness of our Baptist institutions. During the current year the Education Commission has been involved in a study of the utilization of trained ministers. The staff of the Education Commission and representatives of the seminaries, universities and colleges continue to emphasize the role of Southern Baptist commitment to mission concerns through participation in church-related and independent higher education concerns throughout the nation.

Migrant Work and Lake ministry continued under leadership of Tim Burriss.

Associational Council meeting quarterly.

A contract from the Annuity Board requesting the association to adopt the Expanded Annuity Plan to start January 1, 1988 covering ministers and associational officers was adopted. The annuity change is for DOM to pay 5% and association to pay 10%. Ron Farrar, pastor at Pittsboro, moved that annuity change take place on paper, but requested that stewadship committee look into possibility of association paying the 15%. Seconded; Carried.

Shubal Stearns

When we look back into the history of some of our older churches, our minds go back to Sandy Creek Baptist Church which was organized in 1755 under the leadership of Elder Shubal Stearns. This church is located about a mile from Staley in Randolph County. Through his zeal, more churches were started, and in 1758, Sandy Creek Baptist Association was formed.

In 1950, Sandy Creek Church, Sandy Creek Association, and Randolph Association with N.C. Baptist State Convention began a movement to restore the cemetery and to erect a monument to the memory of Shubal Stearns. A dedication service was held in 1955, the 200th anniversary of Sandy Creek Church. It is most appropriate that the North Carolina Baptist Historical Society had its beginning at this historic church on June 26, 1986.

Christian Literature

The effectiveness of our Southern Baptist literature can best be measured by how well it assists our church leaders in performing their various ministries. The following comments were gathered from some of the members of Bethany Baptist Church, Gulf, N.C.

Adult Leadership (Bill Oldham) I find this magazine to be very helpful in working with adults. It offers many ideas for leaders of Sunday School work in Adult Departments and classes. It is also useful in making long range plans.

Sunday School Leadership (Rayvon King) The Sunday School Leadership magazine is a handy tool for Sunday School directors and other leaders. It presents ideas on how to increase membership, how to train teachers, how to form new classes, and how to organize outreach programs.

Open Windows (Ken Russell) **Open Windows** is a simple tool to help Christians study God's Word on a daily devotional basis. Requiring five to ten minutes a day, **Open Windows** is an excellent supplement to Bible Study.

The Deacon (Ukie Hallman) This magazine helps deacons to understand more about their role in church leadership. It provides useful ideas that can be followed to help a deacon become a more effective minister for Christ.

Adult Teacher's Quarterly (Lloyd Black) The **Adult Teacher's Quarterly** is a great aid for Sunday School teachers in the Adult Department. The writers do an excellent job researching each lesson and presenting the material in an easily understood manner. Since becoming a Sunday School teacher, my understanding of God's Word has increased by using this resource weekly.

Church Administration (John Oldham) **Church Administration** is a magazine to help church leaders understand and perform their administration tasks in their local churches. By using some of the suggestions presented in this magazine, we have been able to get more members involved in our church. As chairman of the trustees at our church and as a deacon, **Church Administration** has helped me develop my leadership skills for Christ.

The Biblical Recorder (Faye Moore) I read the **Biblical Recorder** regularly because I like to know what it is going on in our Southern Baptist Convention as well as in our State Convention. The paper keeps me informed about the programs and events as they take place. I especially like the attention given to our missionaries and to our mission program. The discussions of the Sunday School lessons are also very helpful.

Proclaim (Glenn Hancock) **Proclaim** is a resource journal to help pastors in their preaching and teaching God's Word. Sermon summaries, sermon illustrations, and resources for special occasions are presented in each issue. I would highly recommend this magazine for every minister.

History of Rocky River Baptist Church

Rocky River is the oldest Baptist Church in Chatham County and one of the oldest in the Southern Baptist Convention. Early records were lost, but it is believed that it was constructed in 1756 by Shubal Sterns. This church is older than the Sandy Creek Association.

During the more than 200 years, there have been three buildings. The foundation stones of the first building still stand in the cemetery. The second building was a wooden structure, and the third is the present building constructed in 1918 at the cost of $1,685.00. Much remodeling has taken place since then; adding Sunday School rooms, fellowship hall, kitchen, baptistry, heat, memorial windows, bathrooms, pastor's study, library, office, choir room. To help finance this growth, the Lord's Acre plan was started.

On the 200th anniversary, 1956, a dedication service was held with the laying of the corner stone, note burning, and sermon preached by C. W. Bazemore. Rocky River is the mother church of Loves Creek and started the mission which later became Brookdale Church.

In 1806, Rocky River , for the first time, hosted the Sandy Creek Association; since then she has been host several times. As the people came this morning, chimes, recently installed as a memorial, were heard. Rocky River has all the organizations of the Baptist Convention. Present church membership is 292. Progress continues under the leadership of Gene Booker, present pastor.

General Board Report

The General Board operates as the Baptist State Convention of North Carolina in between the annual meetings which are held each November. It is the responsibility of the General Board to hear the report of the Executive Committee and vote on any recommendations from it. The General Board meets three times each year; January, May, and September. The Executive Committee meets nine times during each year, three of which are jointly with, or actually just prior to, the General Board meeting. Each association in the state has at least one representative on the General Board, with the larger associations having two or three (depending on size of membership).

1. Fruitland Study Committee Recommedations: As a result of convention action at last year's convention, this special committee was appointed to study the relationship of Fruitland to our convention and make recommendations for any changes thought necessary. The General Board approved in September this committee's recommendation that the Fruitland Baptist Bible Institute become an agency of the General Board.

2. Wake Forest University Recommendation: The joint covenant committees from the University and from the Convention recommended to the General Board that Wake Forest be allowed to elect all its own trustees, and that no funds through the Cooperative Program go to Wake Forest. Wake Forest representatives, notably Dr. Thomas Hearn, president, pledged to continue all ties with and programs for our convention, and to never forget, but to always honor their heritage. The vote to apporve had nine votes against.

3. Expansion of our Retirement Home in Winston-Salem: The rapid turn around of the financial situation at our homes, due to contractual committments and recent rampant inflation, has been dramatic. Motion to approve our Retirement Homes' request to borrow $9,000,000 for expansion was approved with the stipulation that further details of repayment schedules be given to the General Board in January.

D. E. Parkerson, Representative

Baptist Children's Home Report

The mission of Baptist Children's Homes is to care for dependent, negelected, homeless and troubled children; unwed mothers and their children; and the rendering of related services to the relatives. Services are directed toward the preservation, conservation and rehabilitation of families to avoid, wherever possible, the placement of the child wawy from home.

In our one hundredth and first year of child care, more than 1,500 children were served. From this group of children/youth, many had no religious affiliation when admitted to our care. Our pastors baptized more than twenty-five youth into the fellowship of the local church. The New Homes & Hospital Offering, approved by the Convention last November, claimed the attention of our staff during the first five months in 1986. The offering was divided as follows: fifty percent to Children's Homes, twenty-five percent to Retirement Homes, and twenty-five percent to Hospitals. We encourage you to help promote the new offering in your church during May 1987.

Dr. Michael C. Blackwell, President (919) 472-1000. J. Leonard Gerrald, Raleigh Area Director (919) 832-8635.

Senior Adults Report

The Associational Senior Adult meeting was held September 9, 1986, in Pittsboro Baptist Church. The devotional thought was brought by Mr. John Goforth, pastor of Oakley; Margaret Awtrey, Coordinator of Adult Basic Education for CCTC in Chatham County, presented a video tape on Adult Literacy; Patricia Hamm, Occupational Therapist, presented "Handy Helps for You and Your Home"; Leonard Harris, Associational Music Director, led the singing and presented special music; and Ellen Miller, Home Extension Agent, presented a talk on good nutrition. The Senior Adult Club members of the host church served as lovely and efficient guides and helpers, and the refreshments furnished by the church were attractive and delicious.

All churches are urged to observe Senior Adult Day in their worship services during each year. The first Sunday in May is suggested by our leaders, which will fall during Christian Home Month. The "Day" can be as big or small as you want to make it. All senior adults are urged to be as busy as possible in some kind of ministry. There are hundreds of possibilities, and the Lord has equipped each person for at least one.

Ruth T. Andrew, Director

Baptist Retirement Homes

In recognition of the increased proportion of adults now 65 or older, the Baptist Retirement Homes of N.C., Inc., has sought to create a broader awareness of its services across the state. While the past year has brought a forward look at the direction of retirement care, attention has also been directed toward improvement of existing services. The following facts and figures highlight the achievements of the Baptist Retirement Homes from August, 1985 through June, 1986: 1) Sound financial management again eliminated the need to increase residential fees, 2) Over $900,000 of benevolent care was provided to residents, 3) Of a projected 3.4 million dollar budget, the Cooperative Program and Homes & Hospital offering provided $785,000, 4) Over 40 new residents were admitted to the Homes and Nursing Care, 5) Construction and renovation of seven new housing units was completed in Willow Cove on the Winston-Salem campus, 6)Bill Stillerman became the new President of the Homes, 7) A video tape, "Not An Ordinary Person" produced by the Homes in 1985, won the M.E. Dodd Award forVideo and Film Productions, 8) Residential and apartment living remain available. Requests should be made through the Assistant to the Pesident for Admissions.

48. The following Hospitality Report was given by Nancy Pickard: In describing this beautiful morning, I want to borrow from the words of Robert Browning when he says:

"The days at the morn:
Mornings at seven;
The hillside's dew pearled;
The lark's on the wing;
The snail's on the thorn;
God's in his heaven-
All's right with the world!"

We are glad to be here this morning and we feel the warmth of the hospitality offered by the people of this church. Thank you, Flat Springs, for your invitation to share this day with you as we worship and fellowship together as believers in Christ. God is in his heaven and in our midst here today.

52. Memorial Service was led by Doris Brady, Fall Creek Church. "Let us now take the time to pay tribute and respect to the 51 women and 49 men, 11 of whom were deacons, who have passed from our midst during this past year, giving us a total of 100 deaths across the association. Death is not an end but merely the door into a higher and more exalted life of ultimate contact with Christ. It is not something to fear, but an experience through which one passes on the path to a more perfect life. If only "they" could send a message back it might say something like this poem by Edgar Guest:

"What glorious news they have to tell
If only they could write today,
Those who have gone afar to dwell
Where all the glorious spirits stay
In fancy then I set it down,
What they would write to me
"I've touched the hem of Jesus' gown
The way they did in Galilee."

Let us bow for a moment of silent prayer as we remember those who have gone on during this past year to be in the company of the great.....

For it is in Christ's name we pray.

Amen

53. New officers of the association were installed by Ernest Davis.

54. There was the singing of a hymn.

55. Special music by Annette Keith filled our souls.

56. Annual Sermon was delivered by Steve Moore, pastor at Emmaus. Using the well-known story of Daivd and Goliath, he made three points. 1) David was a man after God's own heart; 2) our God is faithful when we allow Him to

handle it; 3) Goliath was defeated by the world, flesh, the devil, and jealousy.
57. Curtis Knowles finished the business of yesterday. Wayne Phillips moved for the adoption of the additions to the Constitution. These passed.
58. Bewey Shaver re-introduced to the messengers Walter Bridges, 91, who was a lifetime member of Flat Springs.
59. Benediction and Blessing given by Bewey Shaver.

Report on Evangelism

I read an article the other day that was entitled "What happended to Evangelism?" This article pointed out that many churches and even denominations had not stressed evangelism as the outreach arm of the church. I had to stop and think, really nothing has happened to evangelism, it is we the people who call ourselves Christians who are failing. If we dedicate ourselves to the Great Commission, put our faith and trust in the Lord, then put that faith to work, we'll see evangelism does work as well as ever. Nothing can take the place of evangelism which begins with me. There is a verse in Isaiah that says it all: "If you do not stand firm in your faith, you will not stand at all." Let's get back to evangelism, God's way!

Garland Bordeaux, Director

Stewardship Report

Our growth stands out in the Sandy Creek Association as steadily increasing- the gift of money. Through this growth of money in the association more programs have been added at home--our mission, the Spanish-speaking ministry, Cameron Boys' Home particularly--along with the old standbys of SS, VBS, CT, WMU and Brotherhood. To make all of these programs a success both new and old, we must physically support them, too. Thank you for your support through the years, and please work to make the association even better as the years go by.

History of Mount Olive Baptist Church

Compiled by Nova Jones

First known as Lick Creek Baptist Church, Mount Olive is located in a beautiful rural section of Alamance County, 1/2 mile from Highway 87. The church was organized on August 2, 1834, under the leadership of Elders William H. Merritt, Thomas Weaver, and Levi Andrews. Thirty-seven members made up the church, with Levi Andrews serving as first pastor and most of the next 28 years. His descendants still hold leadership roles at Mount Olive. In 1862, Levi Andrews resigned as pastor and the church talked of disbanding. Instead, under the pastorate of Samuel Bladwin, the church began growing. Membership passed 100 in 1883, 200 in 1918, and 300 in 1938. The present membership is 363. In 1953, under leadership of O. M. Burckhalter the church went to full-time and built a pastorium and a fellowship building in memory of Morris Jones, who lost his life in service during WWII. In 1958, a new brick educational plant and sanctuary were started, finished in 1960, and debt free in 1967 under Paul West. In 1984 both the sanctuary and educational plant were renovated. At this time Mount Olive observed her 150th anniversary with a year long celebration. Each first Sunday of every month, a former pastor or interim pastor was the guest speaker with a fellowship meal in the Memorial Building following the service. Also featured were monthly historical displays.

Today marks the ninth time that the Sandy Creek Baptist Association has met with Mount Olive, the last time being twenty years ago in 1967. Eight pastors from Mount Olive have served as moderator of the Association, including the present pastor, Rev. Curtis Knowles, who is also serving now as the moderator.

Sunday School Report

Challenge 10/90 is a challenge to increase Sunday School enrollment to ten million by September 30, 1990. If we all set goals and work to reach those goals, we will meet our goal--indeed we will go beyond. Challenge 10/90 can be a reality, but only if we work together. Training has been provided in two of our churches by the ASSIST Team. The Key Leadership Conference had 24 persons present from 15 churches. The Growth Spiral was explained as was the Sunday School Standard. The Associational Sunday School Workers Training was held at Sandy Branch, September 29th. "Bible Teaching through the Sunday School" was taught in all age groups. Directors and officers were presented were presented Basic Sunday School Outreach. Eighty-nine people were present from nineteen churches.

Jim Medlin, Sunday School Director

Church Training Report

"Living in the Spirit", will be the theme for Church Training in 1987-88. All church members and their families deserve the chance to develop as disciples, to grow to spiritual maturity. Church Training can help build up your church, equipping members for dynamic ministry and meaningful Christian living.

"M" Night in 1986 was held at First Baptist Church, Siler City, with Jim Simpson from N. C. State Convention as speaker. Leonard Harris directed the music. Rives Chapel won both banners. Sandy Creek Association was represented at a mini-conference at Raleigh in December, also Ridgecrest Key Leadership in May. We had a conference at our Key Leadership in August. We have renewed interest in Children and Youth Bible Drills across the Association for the coming year. We continue to get new equipping center modules, they are available from the Associational Office. Thank you for your prayers, support and interest in "Living in the Spirit."

Nell Morgan, Church Training Director

WMU Report

Gifted to Serve, Called to Act! This has been our theme for the year and how wonderful it would be if we could say that every member of WMU has come to understand and accept this idea. But alas! Even WMU members hesitate to accept the fact that each of us has been given a gift by God when we accepted Jesus as Saviour and that he expects us to use that gift for Him. Many have accepted the fact and many have acted this past year to serve Him in whatever way they could. We had our annual spring meeting at Oakley Baptist Church in April. It was well attended and Mrs. Eugene Warrick and Mrs. Burke Holland were our guest speakers. They did a great job of presenting the challenge to our ladies to serve the Lord right where we are. This is always where we must begin and truly there is much that we can do in our own communities. The WMU Council went to Caraway for training in August and then led in a workshop to train our local WMU leaders. This workshop was held September 14, at Jonesboro Heights. We had a total of 144 at this meeting. We praise the Lord for those who accepted places of leadership in the local church and pray that each one will seek to be the best leader she can be with the help of her Saviour. And let's remember, we all GIFTED TO SERVE and CALLED TO ACT. Not just WMU ladies, but all Christians. Let this new year of 1987-88 be the time each of us will re-committ ourselves to serve the Lord where we are.

Polly Baldwin, WMU Director

Baptist Hospital Report

During the past year, Baptist Hospital admitted 22,973 patients for a total of 186,321 days of patient care. More than 1,000 of those patients had heart surgery and 27 received kidney transplants. During this period, the hospital also performed its first heart transplant and, as of June 1, 1987, has performed four successful heart transplants. Approximately 1,000 persons with kidney stones have been treated with the lithotripter. The lithotripter has also been used to break up gallstones. Baptist Hospital was the first hospital in the U. States to achieve this success. The Air Care Program, described as a "flying emergency room staffed with highly trained pilots and flight nurses," continues to save lives and to contribute to more rapid and complete recovery for many victims of trauma. For example, Air Care made it possible for a man whose arm was severed in a hay mowing accident to reach the hospital in time to have his arm reattached. Baptist Hospital is one of less than a half dozen medical centers in the nation routinely transplanting living bone tissue. In addition to those admitted to the hospital, 30,726 persons were seen in the outpatient clinics, 35,134 in the emergency department, and 196,556 in the Bowman Gray Department of Clinics, 2,747 patients had outpatient surgery. During the past year, the Pastoral Care Department has continued to provide pastoral services for hospital patients, pastoral counseling, clinical pastoral education, and human enrichment events. Due to the change in the method and timing of the special offering, Baptist Hospital received during its past fiscal year the largest offering from the churches in its history. The last North Carolina Missions Offering in September of 1985 and the first Homes and Hospital Offering in May of 1986, together with designated gifts, brought the hospital a total of $474,662. Cooperative Program gifts to the hospital during the same fiscal year was $608,389 making our total receipts from the churches $1,083,051. For these gifts and for all other continuing support and help from the Baptist churches, the hospital trustees, staff and patients are deeply grateful.

Rev. James McGhee, Baptist Hospital Representative

Annuity Board Report

Our main business is not to see what lies dimly at a distance, but to do what lies clearly at hand, wrote Thomas Carlyle. One greater than he said: "Say no ye, there are yet four months and then cometh harvest? Behold I say unto you, lift up your eyes, and look on the fields; for they are white already to harvest." The nation's economy continues to demonstrate inconsistencies; yet we are pleased to record substantive gains in both assets and earnings. We are determined that the financial fixture shall be more secure than the past. Through our church Annunity Plan, which will be activated January 1, 1988, this will come to pass. Only by intensive work did we escape taxation of earnings in the Tax Reform Act.

John Hamm, Annuity Board Representative

Missions Report

The Missions Committee works with our Director of Missions to sponsor and promote missions within our Association. This year many important mission projects were accomplished. A new church was built and dedicated for our Hunt Springs Baptist Mission. The mission has steadily grown in membership since its founding. Recently a Constitution and Bylaws was adopted by the mission and approved by the Missions Committee. A copy of this has been submitted for the records of our Association. Another project undertaken by our Association was the renovation of the dining hall and kitchen at the Cameron Boy's Home. Around thirty volunteers from our Association took part in the actual work. Presently our Association is in the process of establishing a permanent Spanish Ministry in the Sanford area. First Baptist Church of Sanford has taken the lead in directing this important ministry. Burke Holland, the Director of Language Ministries of our Baptist State Convention, is searching for a qualified minister to recommend to us. A special thanks to each of our churches for the way you have given. Continue to pray for the missionary activities which are taking place within our Association.

Glenn Hancock, Missions Director

Youth Report

Ministry events which were conducted this year included a one night revival meeting held at First Baptist Church, Siler City op November 9, 1986, this event, which was well attended by the churches of our association, featured crowd breakers, youth testimonies, special music performed by Watermark of Charlotte, NC, and a timely message entitled "You are Somebody" by Joe Burke, principal of Pittsboro Primary School. We also had a youth rally on February 22 1987 at Jonesboro Heights Baptist Church featuring youth testimonies, and music and message by Ken Helser of Sophia, NC. This event was also highly attended with over 300 persons present. Our fourth annual Associational Youth Field Day for Missions was held on May 16, 1987 at Brush Creek Church and again we collected a large number of canned goods for our associational pantry for migrant missions. Associational Youth Council meetings were held at Gum Springs, Jonesboro Heights, Rives Chapel, Sandy Branch, and Siler City First. This year we continued to add to our collection of youth ministry resources and references in our associational media center bringing our total collection to twenty-one. At our May youth council meeting held at Gum Springs Baptist Church Jay Morris, Youth Council President and Amy Joyner, Youth Council Secretary/Treasurer, were each presented a plaque in recognition of their dedicated and faithful service to the Associational Youth Council over the past three years.

Music Report

"Sing praises to the Lord with the lyre, with the lyre and the sound of melody! With trumpets and the sound of the horn make a joyful noise before the Lord!" Our service to God demands that we discover, develop, and distribute the talents and gifts that we have been blessed with. The Bible rebukes the servant that maintained the opportunity he was given and praised the two servants who developed theirs. Today we are not maintaining the abilities we were given but are allowing what we have to waste away. It is easy ts see why we aren't motivated to develop our talents. What good is our ability when at the flick of a button we can witness the best talent that the world has to offer. Why not give this to God instead of our meager ability? In your church, great or small, one great component of worship is the offering. I believe this includes not only giving of our money, but the giving of our time and talents. If the widow's mites were pleasing to God, how much more could we give in this time of intellectual opportunity. Encourage your choir, soloist, instrumentalist to give what they have. Motivate them in a kind and loving way to develop their offering. Give affirmation when they give what they have. The best that they have will not be as polished or sensational as the TV performers, but the important things is that is should be given from heart in response to God's love. "Praise God from Whom All Blessings Flow."

Brotherhood Report

This is my second year of being Associational Brotherhood Director finds me still in the learning and planning stage. I had the opportunity to attend a great Baptist Men's Convention and also a great meeting at Ft. Caswell. We had a good Associational workshop with pretty good attendance. Baptist Men in the Association have been helping with the Cameron Home restoration. Several teams of men have gone to Ft. Caswell helping in the restoration there. I have had the opportunity to speak to Baptist Men's groups this past year. I shared with them the various ministries North Carolina Baptist Men are involved in and how they are designed for the local Baptist Men's group to plug into and be a part of.

Terry Thomspon, Brotherhood Director

Director of Missions Report

The 1986-1987 Associational year has been an exciting one in which I believe there has been a renewed effort in some of our churches, to reach out to un-churched and un-Christian people and win them to the Lord. Also during this year many of you have personally responded wonderfully to missions and mission work. I have participated in the beginning of the Hunt Springs Mission Building and have helped some in the work of remodeling of the Chuck Wagon Dining Hall of the Cameron Boys Home. Also with these happenings it has been my privilege and joy to visit most of our churches in the Association and to preach in some of them during the year as well as participating in the World Mission Conference of the Columbus Association. I trust it has been a good year for each church and hope that the coming year will be the greatest in the work of our Lord that we have ever experienced. Thank you so much for the work you have done and will continue to do during the new year ahead.

Christian Education Report

A recent survey sent to more than 24,000 lay persons and pastors in North Carolina, revealed strongly positive attitudes toward Baptist Colleges.

The following summary of the survey's conclusions will interest our Baptist people in the churches and associations:

1. Almost 99 percent of those surveyed said Christian education should remain a high priority in North Carolina Baptist life.

2. More than 80 percent rated North Carolina Baptist Colleges as outstanding or good. Ninety-five percent believe the quality of education at a equal or superior to an education at a state school.

3. The three main strengths of Baptist schools, according to the survey, are the quality of education offered, the Christian committment of faculty, and the spiritual emphasis on the campuses. The overwhelming weakness is the cost.

4. Most said they learned about the colleges through the **Biblical Recorder**. The opinion was strong, however (65%), that Baptist students do not receive sufficient information about Baptist colleges through the local church. Everyone connects Baptist colleges and a superior experience in Christian education.

CHURCHES OF THE SANDY CREEK BAPTIST ASSOCIATION

There are things to consider when choosing a college.

The Time: Life after high school is still a time for growing, maturing, learning and planning for a full life as an adult.

The Size: All of the Baptist colleges in North Carolina are small and manageable. You can easily walk anywhere on campus.

A Lasting Family: Many years after graduation, former students still visit and write letters to favorite professors. Cherished friends in college often remain friends for a lifetime.

The Call to Christian Service: In Baptist colleges the ideal of service to others remain strong in vocational planning.

Preparing for Life: Christian education prepares students for making a living. But more importantly, Christian education is the best preparation for spending a life.

THE ROLL CALL OF BAPTIST COLLEGES

There are six educational institutions supported financially by the Baptist State Convention: Campbell; Chowan; Gardner-Webb; Mars Hill; Meredith; and Wingate.

Wake Forest, our oldest school, has a continuing "fraternal and voluntary" relationship with North Carolina Baptists and the Council on Christian Higher Education.

Christian Literature Report

Southern Baptists since 1845 have worked together to advance the causes of missions, education, evangelism and ministry. We have been able to do things working together that we could never have accomplished working independently of each other. The printed page--Christian literature--has been one of the major channels through which our labors have been coordinated.

Broadman Press and the Southern Baptist Sunday School Board produce publications of all kinds: for Bible teaching, for growth in Christian discipleship, for the support of missions and ministries, etc. Publications for each of our organizations and agencies, and for every age group, are produced in a large scale. And, in addition to convention-wide publications, each state produces literature for every mission and ministry to which the churches give support.

Each state convention has a state paper through which all our work and witness is coordinated. **The Biblical Recorder,** R. G. Puckett, editor, weekly challenges North Carolina Baptists to be informed about the work of Baptists and to be involved with it. It tells all the news--good and bad, victories and defeats-- and challenges our people to greater effort in the kingdom of God. Never in the history of North Carolina Baptists has there been a greater need for our people to be informed.

Readership of the **Recorder** continues to be strong, even though the costs of printing, postage and paper continues to skyrocket. It still costs only $5.00 per year for the Church Budget Plan--half the price of a first-class postage stamp each week.

For the sixth straight year, there will be NO INCREASE in the subscription rates.

If your church does not have the Budget Plan, I strongly urge you to consider it for 1988. The costs of being informed, however great, are not as great as the costs of being uninformed or misinformed.

May God help us to work together to share the Good News with the world!

D. E. Parkerson, Christian Literature Representative

Christian Life Report

The Council on Christian Life has provided a variety of field service event and educational resources for N. C. Baptists. During the February to August session of the General Assembly, the legislature dealt with a host of issues of interest to Baptists. Among these are the following: State lottery bill was defeated; Pari-mutuei gambling was put on hold; State-wide ban on phosphate detergents was imposed; Minimum age for death penalty raised from fourteen to seventeen; Stopgap measures were taken to reduce prison overcrowding.

The N.C. Hunger Fund continues to provide financial help for churches and associations which are working to combat hunger here in our own state. Requests have been high this year, perhaps reflecting greater needs in N.C. and certainly signifying greater involvement by N.C. Baptists. During the first eight months of 1987, $39,000 was sent to twenty-one churches and ten associations. Because of the generosity of many N.C. Baptists and because of the involvement of these churches and associations, we have been able to work together to provide food for some hungry people in Jesus' name.

History of Flat Springs Baptist Church

On Monday evening November 29, 1905, the Flat Springs Missionary Baptist Church was born and her journey begun with 12 charter members, 3 acres of land, and faith in Heaven's favor. A year later these few had erected a partially completed church, received 5 young people on profession of faith, been admitted to the Sandy Creek Association, and were enjoying one preaching service a month. In 1911, the steeple was added, and the completed building was dedicated in 1916. By 1944, Flat Springs had gone full-time. The pastorium was completed in 1956. On April 3, 1960, Sunday School was conducted in the new educational building, and on Easter of 1968, the first worship service was held in the new sanctuary. The 1970's found rapid growth in the church with renovations new buildings, purchase of a bus, a full-time Minister of Music and Youth, Leonard Harris. In the '80s this church sent eight members as temporary missionaries to Alaska and West Virginia. On Nov. 23, 1980, the 75th Anniversary was observed with the largest attendance ever in this church. On purchasing a new bus, the old one was given to Cumnock. In 1987, Gregory McGarvey, pastor of Moncure and a student at Southeastern Seminary, was ordained. Flat Springs WMU hosted its Annual Meeting in 1982. This is the third time this church as hosted the association--1949, 1968, 1987. Flat Springs has grown from 12 members to 548. It has been united from its beginning, in carrying out the Great Commission. Bewey Shaver is the present pastor; Leonard Harris, Music and Youth Director, is also Music Director of the Association.

History of Moncure Baptist Church

Moncure Baptist Church was organized on the fourth Sunday in February, 1913, in the old school house standing on the lot where the present church now stands. Hite C. Moore and W.R. Beach assisted in the organizing. Twenty-eight members presented letters of dismissal from sister churches to become charter members of the Moncure Church. Rev. Beach was extended to a call to be the first pastor, a call which he accepted. M.T. Wilkie was elected church clerk and C.C. Poe, treasurer. At the first revival 17 joined the church, 3 by letter and 14 by baptism. The same year, 1913, Moncure applied for membership to the Sandy Creek Association. The church reported a membership to the Sandy Creek Association. The church reported a membership of 52 and gain of 24 from February to October. In 1918, a new church was dedicated debt free. In 1923, the association met with Moncure Baptist. At that time the meeting was for four days at the same church. In 1914, R. R. Gordon became pastor. Other pastors followed: Edward Humphrey and his wife left the pastorate in Moncure to become missionaries to Nigeria. In 1963, tragedy struck in the form of fire which destroyed the church, but a new church was built on the same site. Now the church is purchasing Katherine Barnes home for a pastorium. Their membership is 114. Gregory McGarvey is the pastor.

General Board Report

The General Board of the Baptist State Convention meets four times each year. Three of these are held at Caraway Conference Center near Asheboro; one is held on one of our college campuses on a rotating basis. The Executive Committee meets nine times a year, but additional meetings and telephone cll meetings are arranged as Dr. Roy Smith feels necessary.

Actions by the General Board and Executive Committee are reguarly reported in the **Biblical Recorder,** but some of the more important ones are as follows:

1. The General Board meeting in May approved the recommendation of a special committee to study the distribution of funds to the colleges. The recommendation was to continue for five more years the current method of dividing equally available funds to the six colleges receiving Cooperative Program money.

2. The Cooperative Program receipts are running 6.80% above last year.

3. Programs are being developed that will strengthen our state convention's ministry to the military installations in our state.

4. A new Baptist Foundation building will be built adjacent to the Baptist Building in Cary.

5. Our state convention's partnership with Togo has been a profitable one, but it is over. Our state convention's new partnership is with the Brazilian Baptist Convention.

It should be noted that the General Board Committee work in conjunction with the divisions of work within our convention organization int the Baptist Building. We have outstanding leaders. The opportunity to serve on the General Board has increased my appreciation for the marvelous work that our Lord is doing through them in our state and in the world.

Children's Homes Report

In behalf of Dr. Blackwell, the staff, trustees and children in care, we gratefully acknowledge your support through your prayers, concern and financial resources.

Four major emphasis occurred this exciting year at the Children's Homes:

1. There was a reorganization of group care on the Mills Home campus in order to more effectively deliver services to children and families.

2. Moody Home Ministries, an intensive program of "friendship therapy" to troubled girls, was opened in Macon County.

3. The process of Long-Range Planning, which in today's complex world of child care, can only extend up to five years was begun.

4. Partnerships in cooperation with the WMU, Personal Evangelism, Baptist Men and the Department of Aging have been both rewarding and exciting. We are grateful for their willingness to assist in informing the Baptists of North Carolina on this child care ministry.

We are delighted to report that more than fifty of our youth made a profession of faith in Jesus Christ during this church year.

Our committment to you is to be good stewards of that which is entrusted to our care as we offer quality service on four groups care campuses, eight emergency care homes, in our foster homes, at our theraupeutic camping program, through the child development center and at our maternity home.

OUR MISSION REMAINS FIRM: TO HELP HURTING CHILDREN AND ASSIST BROKEN FAMILIES. We encourage you to help us by promoting the 1988 Homes & Hospital offering in May and Cooperative Program stewardship.

Through your faithful prayers and generous gifts, we continue to be laborers together for God thus we are grateful for the opportunity to serve with you.

Retirement Homes Report

The year 1986-87 has been an exciting time in the life of the Baptist Homes of North Carolina, Inc. Charged with the task of providing quality living opportunities for Older Adults within a Christian context, the "Homes" has this year attempted to "move forward" in three broad directions.

1. Advocacy for Older Adults - During 1986-87, the "Homes" has endeavored to become an advocate, a spokesman, for a very special segment of the state's population...the Older Adult.

2. Quality Care - During the year 1986-86, the "Homes" has continued to develop creative ways to meet the needs of Older Adults.

3. During 1986-87, plans for institutional expansion and new deveopment have moved forward at a rapid pace. "Ground-breaking" for a new Continuing Care Retirement Community in Winston-Salem will take place in the fall. The "Homes" long-range plan includes the development of similar facilities in Asheville, Charlotte, and the East.

The "Good News of Jesus Christ" is the presupposition upon which the "Homes" operates. In reaching out in service to Older Adults, the "Homes" offers concrete expression to the love of the Christ for all people. The support of North Carolina Baptist makes this ministry of love possible.

Rev. C. R. Smith, Representative

Baptist Senior Adults

The annual associational senior adult meeting was held September 15, 1987, in Tramway Baptist Church. Fun and inspiration through music was led by Carroll Tesseniar, Minister of Music, Jonesboro Heights. The guest speaker was Dr. Jerry Hayner, pastor, Forest Hills Baptist Church, Raleigh, NC. Reports on senior adult activities in eight of our churches were given. The meeting was attended by 100 people, representing 11 churches.

Each church is encouraged to begin and expand a ministry with and for its senior adults. The activities should always be directed toward meeting a need. The ideal ministry will provide a balance in the four areas of spiritual, physical, mental, and social needs. Senior adult ministries should undergo constant evaluation also, and should be changed or altered as appropriate.

Conferences for both members and leaders are scheduled regularly at Caraway Conference Center, and at Ridgecrest and Glorietta. All are of the highest quality. This year, spring and fall retreats are offered at Caswell for senior adults. These are largely for day trips to nearby points of interest, with lodging and two meals a day supplied at Caswell. Help is furnished on request in planning the outings, but groups are responsible for their own transportation.

It is a pleasure and a privilege to be your senior adult director. Please continue to call on me for sharing your joys and accomplishments, and for requesting information and advice.

MODERATOR
WAYNE PHILLIPS
52nd Moderator of Sandy Creek Association

In 1966 this Annual was dedicated to W. C. Harward who was retiring as Clerk of Sandy Creek Association. At that time Mrs. Jane Nooe became clerk.

Now the Sandy Creek Association wishes to dedicate this Annual to the name of Mrs. Jane Nooe who has retired as Clerk of the Association. She has served these years as an efficient clerk. Her records were well kept and informative. This dedication is one way of showing our appreciation for her dedication and faithful service to the churches of the Sandy Creek Association.

REPORTS

SUNDAY SCHOOL REPORT

Challenge 10/90 is a challenge to increase Sunday School enrollment to 10 million people by September 30, 1990. We are far Behind where we need to be in order to meet this goal. Challenge 10/90 will never be a reality unless we all work together. We only have two years to accomplish this great task for Christ. Lets work for the Lord this year and honor Him by obeying "The Great Commission". The Sandy Creek Sunday School Assist Team has worked hard

this year. they have trained workers in several of our churches. The Team has become a Standard Assist Team this year and becoming a Standard Team is not easy. Only a few Associations across the State have become Standard.

The Associational Sunday School Training was held at the Sandy Branch Baptist Church; "The people Challenge" was taught in all groups, including general officers.

Rev. Jim Medlin
Sunday School Director

STEWARDSHIP REPORT

The goals of the stewardship program are to continually develop Christian stewards, associational support, and worldwide support. By attaining the primary goal of developing christian stewards, we will also realize accociational and worldwide support. Our association has dedicated christian stewards who are interested in continual growth - especially in Missions- which is evidenced by a considerable increase in the "Mission" allocation for the 1988-89 associational year. Support for Cameron Boys Home has been good, the Spanish Mission is now in progress, and there are plans for a possible new mission in Chatham County. Christian stewards give through prayer, time and money.

In February a Stewardship Conference was held in Sanford for Pastors and a church representative, conducted and sponsored by the Baptist State Convention emphasizing "The Distinctives of a Christian Lifestyle". During 1988-89 emmphasis will be on "Planned Growth in Giving".

Thank you for your prayers, cooperation, and support of the Sandy Creek Baptist Association and its ministries.

Mary Upchurch
Stewardship Director

I really appreciate hearing form our music directors and their helpers and assistants. Your enthusiasm for the work you are doing is inspiring. May God continue to bless you in your dedication.

CHURCH TRAINING

Developing Believers is receiving the SBC spotlight in 1988-89 as "A Call to Baptist Basics" which is the Church Training Theme for the year. A main feature will be The Ingathering: Reclaiming inactive church members. Back to basics is a 12 month study in all dated periodicals for Adults, Youth and Children.

Children from Hunt Springs entered the Children's Bible Drills and win; Fellowship Church had children to attend. Now is the time to prepare for the May 1989 Tournament - the material is already out for '89.

"M" Night was held at Sandy Branch Monday November 2, 1987. A Church Training Fashion was put on by Fellowship Church, Rev. Medlin narrator. The Attendance Banner was won by Sandy Branch and the per cent Banner by Fellowship. Three Certificates for Growth was awarded: Largest numerical Enrollment gain - Moons Chapel. Largest numerical gain in attendance - Rives Chapel; Largest per cent of enrollment gain - Hunt Springs.

"M" NIGHT 1988 will be held Monday, November 7, 1989 — First Baptist Church, Sanford.

We attended Keyleadership at Ridgecrest and had a conference at Sandy Creek leadership in August.

Church Training is growing in our Association; we have work to give churches a better understanding of the Church Training Ministry and are willing to work with any of the churches.

Nell Morgan
Church Training Director

WOMENS MISSIONARY UNION

WMU ladies have had a busy year as usual. This was our celebration year of 100 years and celebrate we did. Our Association together with the Randolph Association chartered a bus and took 44 ladies to Richmond for the most memorable occasion of celebrating the 100th of WMU auxiliary to the SBC.

In April of this year, we held our own celebration party at Pittsboro Baptist Church. We were given a brief history of our own Association by Nancy Pickard. A beautiful cake was made by Rachel Brooks and Mrs. Donice Harrod of High Point was guest speaker.

In September of this year we held our annual workshop at Brookdale. Our workshop consisted of a study of the new manual at all age levels.

A big Thank you to all Pastors of Association for their support during the year. You have responded to the needs of your WMU Directors by teaching the Foreign & Home Mission Study Books and in other ways.

We launch Century Two with great anticipation - we have a future to fulfill and our desire is to fulfill this future. May God bless our efforts and may our efforts be worthy of God's blessings.

BAPTIST HOSPITAL REPORT

Perhaps the word which best sums up the past year at Baptist Hospital is expansion -- expansion of facilities and services.

The hospital, together with the Bowman Gray School of Medicine, is still in the midst of the largest health related expansion program ever in N.C. The $140 million has seen the completion of several additions and the beginning others to help insure up-to-date, modern facilities.

New Programs in health care have been added in areas of child care, cancer, ligament tranplants, new methods of treating cancer, new procedures for treating heart patients and the beginning of Air Care International.

The department of Pastoral Care continues its ministries to patients in the hospital; family and friends of patients; the medical staff who minister to the patient; the person requesting counseling in our centers around the state; the ministers who seek our courses in clinical instruction for specialized and pastoral ministries.

Added to these courses are our "Pastor's Sabbath" and "Intrim Church" programs . . . as we work closely with the NC Baptist State Convention in addressing the needs of pastors and churches.

Like most hospitals around the nation, Baptist has been faced with a critical shortage health care personnel. A variety of programs are being implemented which are designed to attract and hold needed staff members.

During the past fiscal year, Baptist Hospital received $659,062 through the Cooperative Program and $290,585 through the Homes and Hospital Offering. The trustees, staff and patients are all extremely grateful for this financial support.

Respectfully submitted,
Mark Meadows

ANNUITY BOARD REPORT

Last year was marked with the most dramatic breakthrough in church retirement planning since the introduction of Plan A in 1954. By the end of 1987, 12,292 churches had adopted the expanded features of the Church Annuity Plan that took effect January 1, 1988.

The plan not only encourages participation by ministers and churches, but it also gives each specific responsibilities. Contributions begin with the minister and the church's contributions are based on what the minister contributes.

A key element of the Plan is the local church adoption process: (1) It encourages local churches to examine their current retirement programs. (2) Adoption of the Plan sends a message to the church staff: we care about you and your family. (3) By adopting the Plan churches are meeting an important obligation to their staffs. They deserve this benefit.

John Hamm
Annuity Board Representative

MISSIONS COMMITTEE REPORT

This calendar year has been a banner year for our association in terms of missions. A new Hispanic Mission has been established which is sponsored by the First Baptist Church of Sanford. They are now averaging in the midforties in attendance in the English classes and worship services. Several have made professions of faith and are awaiting baptism. We are very fortunate to have Kelton Hinton, a young seminary student, at work on the field.

Another area of ministry we are especially thankful for is our Hunt Springs Baptist Mission. Rev. Mark Meadows and his wife Karen are being used by the Lord in a tremendous way. Souls are being saved, the mission is growing by leaps and bounds, and a new unit is now being built for Sunday School classes and church offices. A new sanctuary will also be constructed. Presently, there are around 70 members on roll with an aveage attendance of 109.

A World Mission Conference is planned for April 23 thru April 30 in 1989. This will help our people to better understand the importance of missions.

There is a spirit of excitment and expectation in our Association as we look forward to a new year ahead.

Chairperson, Mission Committee

TRUSTEE REPORT

On March 17, 1988, the Trustees of our Association met at our Associational office to determine what steps our Association could take to repair and improve the looks of our Associational Building. The following items were called to our attention.

1. The front doors need to be replaced.
2. The inside of the building needs to be painted.
3. The walkway needs to be extended.
4. The outside of the building needs to be painted.
5. More insulation is needed for energy conservation.
6. The back door needs to be replaced.
7. The roof which leaks around the power lines needs repairing.
8. The tree in the back of the office needs to be cut down.
9. The media center needs remodeling.
10. The conference room needs carpeting.
11. Cabinets are needed for supplies.
12. The Director of Missions needs his office remodeled.

The total estimated cost came to around $6,580.35 to $6,780.35. Each church was encouraged to give a donation to help with these expenses. Through September we have received a total of $3,401.00. Donations are still coming in. Thanks for your response in this important endeavor.

YOUTH REPORT

Ministry events were conducted this year included a youth evangelism rally held at Jonesboro Heights Baptist Church. This event, which was well attended by the churches of our association and the Sanford community. The theme for the night was "Making it Your Own" and was based on 2 Tim. 3:5. Our 5th annual Associational Youth Field Day and Volleyball Tournament for missions was held at Brush Creek near Siler City and again we collected a large number of canned goods for our associational pantry for migrant missions.

Six associational youth council meetings were held this year. At our May meeting, Jay Morris, Youth Council president, was again recognized for his outstanding service to the organization. This year completed Jay's fourth consecutive year as President. Rev. Randy Wellman, Youth Director was presented a plaque for his dedicated and faithful service to the organization. As outgoing youth director, I want to thank the churches, pastors, youth directors, and the youth of our association for the honor and privilege of having served youth ministry coordinator for the past four years. I have always contended that our young people are our future, and if the youth with whom I have worked are any indication of our churches future, then I believe that our futures are bright and hold the possibility for great things..

Rev. Randy Wellman
Youth Director

BAPTIST MEN REPORT

Many Baptist Men units in churches in the Sandy Creek Baptist Association have been involved in misson work locally and other areas of the state. From working on a mission church in the Durham area, working at Fort Caswell to ministering through the Baptist Children's Home.

The North Carolina Baptist Childrens Home has challenged North Carolina Baptist Men to form a partnership with the home. Associations have been challenged to adopt a cottage, where the Baptist Men of the Association would adopt a cottage at the home nearest the Association and assume the responsibility of the maintenance of the cottage, painting, roof work and so forth. We have applied for a cottage.

This year the Brotherhood Department and North Carolina Baptist Men were merged into one organization and granted auxiliary by this body. This step will make men and boys work in North Carolina, on an organizational basis the same status as WMU. We will no longer be referred to as Brotherhood but as Baptist Men.

In so doing, the General Board has entrusted to the men of North Carolina the responsibility of dreaming a dream and putting that dream into motion. It means that we, as leadership, must assume we can no longer find reasons not to involve our men and boys.

The purpose of the proposal is to enable Brotherhood/North Carolina Baptist Men to merge into one organization and to function in such a way as to allow the laymen to fully operate their mission program.

Terry Thompson
Associational Baptist Men's Director

VACATION BIBLE SCHOOL

Dear Associational Messengers,

I want to thank each of you who gave me the opportunity to serve you as Vacation Bible School Director. I have enjoyed the last two years and I have learned a great deal. I extend a sincere thank you to each person who participated in the clinic. Without the help of my devoted team members and the excellent treatment of Rives Chapel this years meeting could not occur. I want to thank each one of them for their hard work.

This year's attendance was down from our total last year. The number of churches that participated are less than one half of all the churches in the

FAMILY MINISTRIES REPORT

Today the family of the world is still waiting for the community church to be just that "a church for the community". In the coming months churches must be willing to bend their rigid program schedules and meet the needs of the double income, high transient, multi-race, multi-ethnic, multi-lingual families surrounding our neighborhoods.

We must get in touch with today's family and the problems that are attacking it on every side. The increased drug abuse, crime rate, divorce rate, teenage pregnancy rate, and child abuse cases seem to be destroying the chances for a family to become a strong force in today's society. Today's statistics of doom are speaking louder than the voice of hope in our Southern Baptist Churches. It seems that people are expecting failure. Its up to us, as God's people, to reach out and grasp the hand of society and lead this society to a better understanding of God's solution for today's problems.

Rev. Terry D. McInnis
Family Ministries Director

BAPTIST COLLEGE REPORT

First, Baptist Colleges are colleges, places where teaching and learning take place. During 1987-1988 almost 18,000 students and more than 130 faculty members worked at the task of making your Baptist colleges good colleges. A college cannot be a church any more than a church can be a college. Christian education of church and community leaders is the task your colleges gladly undertake.

Second, the word "Baptist" tells what kind of colleges they are. Baptists began them all, provide financial support for them, and send their young people to them for a good education in a Christian environment. These colleges are special places where lives are changed and where life commitments come into focus for students.

Third, Baptist colleges are partners with the churches in missions. Each year there are many Baptist groups which are hosted and cared for by the seven Baptist colleges.

The goal: Church Related Colleges and College Related Churches.

CHRISTIAN LITERATURE REPORT

All that Southern Baptist do within our churches and their affiliate organizations, and through our mission thrusts throughout the world, is supported by numerous publications. Literature is planned, published and distributed for every age group.

Each state convention coordinates its work through its own journal. Ours is, of course, the **Biblical Recorder**. People who are informed get the job done. Those who know the truth can be trusted. The **Biblical Recorder** is committed to both informing and trusting our people to act upon the information. It is accountable to our convention through annually elected directors. Yet it has, and should always have, editorial freedom.

The **Biblical Recorder** has for 155 years issued a call to greater missions and greater committment to the commission of our Lord to win, baptize and teach persons. As it informs, it also gives the opportunity for Baptists to freely exchange points of view. Every person is important and opinions are valid in direct proportion to the accuracy of information upon which they are based. Democracies do not survive without an informed people.

GENERAL BOARD REPORT

My tenure as the Sandy Creek representative on the General Board ends with the closing of 1988. It has been with a sense of joy that I have represented our historic association. I have done so to the best of my ability. It has been my privilege to serve for four of my nearly six years (unexpired term plus a full term) as chairman of the General Board's Missions Committee, and in that capacity as a member of the Executive Committee. No one could serve in these ways without coming to a deeper appreciation of all that Baptists are doing in our world.

Actions by the General Board of special interest are as follows:

1) Support for missions remains strong through support of the Cooperative Program and through special missions offerings.

2) The state convention's missions partnership with Togo having been a successful one, our new partnership with the Brazilian Baptist Convention is proving to be an exciting one and is moving forward.

3) The North Carolina Baptist Men and Brotherhood were merged and given auxiliary status. The new organization is called the North Carolina Baptist Men.

4) Dr. Alex Booth, president of Fruitland Bible Institute retired and a committee to find a replacement has been appointed.

5) Bill Jackson retired as director of Caraway Conference Center, and Dr. Charles Harris, pastor of Durham's First Church, was chosen.

6) The Language Missions Department within the Missions Division added Steven Diaz as Associate to Burke Holland to work with the rapidly enlarging multi-ethnic population in our state.

7) Continued development and moderizing of our NC Assembly at Ft. Caswell has special significance for our convention's future.

8) Actions by the General Board were many. Most of these consist of regular business done in behalf of the convention bewteen annual sessions. A full accounting of these have appeared in the Biblical Recorder.

General Board Representative

CHILDREN'S HOME REPORT

Dear Christian Friend,

You took time, you cared, you gave much when you didn't have to and Baptist Childrens Homes of NC thanks you.

For the past 104 years since this work began at Mills Home, Thomasville, NC it has increased its child care facilities each year.

This year long range plans were made to continue being bold in child care. We plan to add 2 emergency care homes, another on the Kennedy Homes campus and one where the need is greatest. The Cameron Boys Home south of Sanford will be expanded to care for 50 boys this year. Two specialized small group homes will be opened early 1989. A teenage-baby home and a behavior change program for teenage girls in Lenoir.

Nearly ½ of our children have little or no spiritual training prior to being in our care. We rejoice that 79 were baptized into the family of God this year.

To meet these challenges and to continue current ministry to children our

We hope that by 1993 NC Baptist will be giving 50% of our daily operating budget, currently we receive 34% of this cost. The future of child care in NC is in the hands of the Baptist of our great state. I believe they will meet the challenge.

The Raleigh area Family Service Center provides services for families in Chatham, Durham, Johnston, Lee, Nash, Orange, Vance, and Wake Counties. All services of the Baptist Childrens Homes are available through this office which was moved next door to the Biblical Recorder at 230 West Millbrook Rd., Raleigh, NC 27609.

If you would like to invest in our nations future, the place to start is in our children at Baptist Children's Homes. Won't you please support a wonderful Christian Ministry and become a friend of the children today?

Kenneth Mabry
Children's Homes Representative

RETIREMENT HOMES REPORT

The Baptist Retirement Homes of North Carolina, Inc,. began operation in 1951 with a charge to provide a Home for "Aged Saints" in the spirit of Christian care. The mission of the Homes continues to be that of providing quality residential opportunities for Older Adults within a Christian context.

1) THE DEVELOPEMENT OF REGIONAL CONTINUING RETIREMENT COMMUNITIES.

A five-level continuing care retirement community is now under construction in Winston Salem. Land for the same purpose has been purchased in South Charlotte. Planning for the development of similar communities has begun in Asheville and in Eastern North Carolina.

2) THE DEVELOPMENT OF A HOME HEALTH CARE MINISTRY

In 1988, the Homes received a grant from the Mary Reynolds Babcock Foundation to study the feasibility of establishing a volunteer-based Home Health Care program that will enable frail Older Adults to continue to live independently in their homes with some assistance.

3) THE DEVELOPMENT OF FINANCIAL SUBSIDIES FOR RETIRED MINISTERS AND MINISTERS' SPOUSES AND OTHER OLDER ADULTS WITH LIMITED FINANCIAL RESOURCES FOR RETIREMENT LIVING.

The fastest growing segment of NC Baptist life is the Older Adult population. The needs for residential living opportunities on all levels grow as the population does. A large number of Baptist Older Adults requiring service within a residential environment cannot afford the cost of that care.

As we move into 1989, opportunities for creative ministry with Older Adults abound. With support of NC Baptists, the Baptist Retirement Homes will endeavor to turn those opportunities into the kind of reality that will meaningfully service the needs of the Older Adults of our State.

SHUBEL STEARNS

It was in 1755 that Shubel Stearns and a small group arrived in what is now Randolph County. In a short time they had built and organized a church - Sandy Creek - with 16 members.

Shubel Sterns was thoroughly committed to the call of the Great Commission and within 3 years due to his inspiration and leadership three churches - Sandy Creek, Abbott's Creek and Deep River Churches with more than 900 members had been started.

In 17 years 42 churches and 125 ministries had sprung from this beginning. Although Sandy Creek Baptist Church is in the Randolph Association and not now in the Sandy Creek Association, we make contributions to this our mother church each year to help with its upkeep of the cemetery where Shubel Stearns was buried

If we would earnestly try to help spread the story of God's love, not only to those far away but to those nearby then we would be true to the vision of Shubel Stearns.

HISTORY OF RIVES CHAPEL BAPTIST CHURCH

According to Purefory's **History of the Sandy Creek Baptist Association,** when the Sandy Creek Baptist Association met at Rock Springs Baptist Church October 1832 the church at Reeve's Chapel was received in the Association, reporting 79 members, most of them coming from Bear Creek Baptist Church. Delegates were Spencer Marsh, James Headen and Warren Brooks.

Prior to becoming a part the Sandy Creek Association it was known as Tick Creek Meeting House. In 1831 the newly formed North Carolina Baptist State Convention passed a resolution that the convention's next session be held at Tick Creek in Chatham County.

At this meeting of Baptist State Convention marked the beginning of a school of higher learning - Wake Forest College with Samuel Wait first president. Another first was also made - the beginning of a paper would be published under the direction of the convention and be known as the Biblical Recorder.

Around 1835 Rives Chapel became the mother church to a newly constituted church, Mineral Springs.

Sandy Creek Association met for the first time in 1849 with Rives Chapel and again in 1865. They have hosted counting today 7 times.

In 1921 a new brick church was built. In 1979 they reported debt free after renovating the sanctary. A pastorium was built in the 1960's. An educational building was completed in 1959. Since then more space has been added to the educational section.

From the digest of letters Rives Chapel has 299 members. Values of church property $385,000.00. No debts reporting all organizations and supporting missions.

Under the leadership of their pastor they are continuing to grow. Their pastor is Rev. Luther Lemon.

BAPTIST SENIOR ADULTS

Baptist Senior Adult groups and/or organizations are formed to alleviate a need of some sort and are most effective when cooperating with other individuals or groups who have similar goals, whether in the church or community. This group and its activities should always reflect a spirit of cooperation and good will with all others in the church.

On the associational level, an afternoon retreat was held in April. The book, **Achieving Wholeness in Later Life**, published especially for study during the year 1988, was the theme. The annual Associational Senior Adult Rally was held in September. The message for the Rally was Isaiah 40:12.

On the state level, several events were held for Senior Adults, along with the publication of a quarterly newsletter, CONTACT, which is free upon request.

There are several things on the national level that are too numerous to mention in this annual. For information, please contact DOM or Senior Adult Director.

Every church is urged to recognize the senior adults in its membership at least once each year with something special such as verbal expressions during worship service, a banquet, a trip, a special meeting, a whole day of activities or an entire week. Please call me if I can help you with suggestions for activities, books, types of ministries, program topics, addresses and phone numbers.

HISTORY OF CUMNOCK BAPTIST CHURCH

On January 29, 1980, a young Baptist minister, Rev. Terry D. McInnis met at the home of Max and Rachel Hall to pray. They were concerned about ministering to the people in Cumnock area which is off Highway 421 a few miles north of Sanford, NC. The only church in this area is Cumnock Union Church. They prayed and asked God's guidance in the establishment of a full-time Southern Baptist Church.

Cumnock Baptist Church was officially estaablished Sunday night March 9, 1980, with twelve members and Rev. Terry D. McInnis as the pastor.

Cumnock Union Church shared their service with Cumnock Baptist Church until May 11, 1980, when services were held in Mr. Harvey Kennedy's abandoned store building - with no electricty or plumbing facilities. An extension cord 150' long was used to supply electricty. A mobile home was moved beside the store building to provide for a parsonage and educational unit on December 4, 1980.

Seven and .3 acres was purchased from Weyerhauser Corporation for $22,170.00. Of that 1.1 acres was sold.

On July 5, 1982, work was started on the first structure - a building 28'x48' with two restrooms, one classroom, a sanctuary, a mobile unit 20'x42' was used for classroom until November 1, 1987.

The second structure 60'X100' metal building was started August 1987 and will expand Cumnock's ministry into 7 days a week. This structure will provide indoor mission activities, recreation, fellowship, office space and many other ministries to serve the community.

Now after almost nine years Cumnock Baptist Church under the untiring leadership of its pastor Rev. Terry D. McInnis has almost 70 members and 107 enrolled in Sunday School. Mission organizations for all ages meet weekly. A newsletter, "The Answer", is published monthly. And they are hosting the Sandy Creek Association today.

This group of people truly believe that by working together under God's leadership can help carry out the Great Commission of carrying the gospel to all people.

DEDICATION

The Sandy Creek Association dedicates this Annual to one our most faithful Associational Officers, ***Mrs. Nell Morgan,*** *Church (Disciple) Training Director.*

She has served in this capacity since October 1971, except for a period in the 1975-1976 year, during her husband's illness and death. That was the only "M" Night she has missed in all these years of service.

Thank you, Nell, for your faithful dedication and for the example you set for all of us.

Article I — Name

The name of this body shall be the Sandy Creek Baptist Association.

Article II — Purpose

The purpose of this association shall be to inspire, encourage and enlist the membership in a spirit of brotherly love and cooperation for the promotion of our associational programs, the work of the North Carolina Baptist State Convention, and the Southern Baptist Convention to the end that the gospel of our Lord and Savior Jesus Christ might be proclaimed with greater power and effectiveness in our association, our state and nation, and unto the uttermost parts of the world.

REPORTS

SUNDAY SCHOOL REPORT

Challenge 10/90 has been the emphasis program to increase Sunday School enrollment during the decade of the 1980's throughout the Southern Baptist Convention. We have one year left to fulfill our "reach 10" goals. "Sharing Hope" with the saved and unsaved is the theme for this last year. Reaching people and teaching people through Bible Study enhances all areas of the Church and allows us to be involved in witnessing for Christ, our Savior.

The Associational Sunday School Training was held at Sandy Branch Church."Share Hope-Reach 10" was taught in all groups including General Officers. There were 12 churches represented at the Meeting and 38 Persons in attendance.

Wilma H. Winstead, Acting Sunday School Director

CHURCH TRAINING REPORT

Church Training once again has a new name. At the Southern Baptist Convention at Las Vegas, the name was changed to Discipleship Training". Your Church Training Ministry takes its mandate from the New Testament. In Ephesians 4:11-16 Paul set forth major themes of Christian discipleship.

The theme for the year 1989-90 is "Committed to Discipleship". This is in training for "Here's Hope, Jesus Cares for You", the 1990 Simultaneous Revival Emphasis. "M" Night was held November 7, 1988, First Church, Sanford. Dr. Bruce Anthony, pastor Southeast Church, Greensboro and Piedmont Associational Training Director was the speaker. Moon's Chapel won the Attendance Banner and Rives Chapel the percentage one. Hunt Springs won both the Gain in attendance and numerical Enrollment Certificates. "M" Night 1989 will be Monday, November 6, 1989 at 7:30 PM, Oakley Baptist Church, Siler City.

We attended Key Leadership at Ridgecrest and had a Conference for Sandy Creek Leadership in August at Sandy Branch Church.

We have met with some churches interested in Discipleship Training, also attended Pastors' Conference in June.

Three children from the Association passed the State Children's Bible Drill at Asheboro. Two from Fellowship and one from Hunt Springs.

We are happy to announce we have two new Associational Directors - Mrs. Janice Terry will be the Children's Director - hopefully we will have many churches to enter the Bible Drills. Mr. Bill Norris of Jonesboro Height will be the Co-Associational Director. We will be working together to help you any way we can to be more committed to Discipleship.

Thank you for your prayers, support and cooperation in Church Training and as we go into Discipleship Training.

Nell Morgan, Discipleship Director

STEWARDSHIP REPORT

Stewardship is the act of managing the affairs of another. Thus, the purpose of the Stewardship Program is to enhance biblical understanding of Stewardship, to encourage the practice of stewardship, both individually and corporately and to manage the churches corporate gifts to the association in a manner to facilitate receptiveness to Luke 16:2 "Give an account of your stewardship." As of September 30, 1989, churches have contributed $60,502.43 to the Association. This represents 83% of the projected 1988-89 budget total of $73,301.56. The 1989-90 budget total is $75,796.00 which is a 3% increase. Total gifts to the Cooperative Program from the Churches in the Sandy Creek Association for the period January 1 through September 30, 1989 — $208,639.53

The Stewardship Division of the State Convention provides excellent leadership and resources; such as conducting and sponsoring --1) a Stewardship Conference in Sanford in February for Pastors and a church representative. Emphasis was on"Planned Growth in Giving". Seventeen persons attended with nine churches represented. - 2) during the 1989-90 year, Evangelism and Stewardship will jointly sponsor "Witnessing-Giving Life Seminars. WOMEN'S MISSIONARY UNION

Missions is the heart of of WMU, past, present, and future! Our theme for this year "A Future to Fulfill, Launching Century 2" is an appropriate theme as we plan for the new century. The way we launch our 2nd Century will set the pace for the next 99 years.

One major desire is that WMU will strengthen missions in the church and denomination by 1) orienting, training and nurturing new members and leaders; 2) by doing mission action; 3) by expanding enlistment efforts and opportunities for membership; 4) by teaching missions in flexible and innovative ways. We have sought to do this in the local churches by preparing the Associational leaders who in turn train in the local church.

We promoted Foreign Missions by a study of Nigeria and the Lottie Moon Christmas offering. Southern Baptist are not giving and doing all we can as evidenced by the fact that last year we averaged giving only 4¢ per lost person for our mission effort. How can we expect to win the lost for Christ when we ourselves are not willing to give, go or even help? May God help us to get our priorities in order and make him Lord of our lives.

We promote Homes Missions first by studying a specific book, this year it was "Many People-One Nation". We learned that foreign missions is now home missions as the world pours into America. More than half of America is lost! The mission field is here. Our Annie Armstrong Easter Offering goes directly to promote Home Missions.

For our annual spring meeting in April, Mrs. Laura Fry Allen was our speaker. At our April meeting Jean Walker, Hunt Springs, Sanford, was installed as our WMU Director for the next three years. Jean is a dedicated Christian and we know God is going to use her many talents as she leads the Associational work. In September of this year our annual workshop was held at East Sanford Baptist Church. A total of 102 Church Leaders were trained to carry out the 1989-90 emphasis, In His Name, Reach, Teach, Touch. This promises to be the most exciting emphasis in recent years. We have been given the challenge and the resources to touch the lives of those around us, to become a real part of our Christian call to soul wining and ministering.

Jean Walker, New WMU Director

BAPTIST HOSPITAL

The past year at Baptist Hospital has been characterized by growth in facilities and personnel, advancement in mdeical technology and continuation of the spirit of personal concern which springs from the hospital's Christian heritage and its denominational tie.

Occupation of the new North Tower is almost complete, increasing the hospital bed capacity to 806. Construction of the Clinical Sciences Building is expected to be complete by 1990. The Medical Center Boulevard is currently being moved to make ready for expansion of the Patient/Visitor Parking deck. Two new helicopter pads will be located on top of the parking deck. The J. Paul Sticht Center on Aging will be built on the approximate site of current helicopter pad. These new facilities will make it possible not only for our hospital to serve more people but to serve them better.

During the past fiscal year Baptist Hospital received $668,937.39 through the Cooperative Program and $303,133.07 through the Homes and Hospital Offering, including church gifts directly to hospital.

Respectfully submitted, Mark W. Meadows

6. Cabinets have been built for supplies in the entrance.
7. The remodeling in the Director of Missions office is complete.

I recommend that since we have a building and ground committee, that they take over the remaining things that are to be done.

MUSIC REPORT

"He has given me a new song to sing: "O come let us sing unto the Lord" Psalm 40:3 and 95:1. I trust this has been a good year for all ages of our music program. I certainly enjoyed working with your youth as we put together our music program for "M" Night this past year and look forward to another wonderful association wide Youth Choir this coming year; again for "M" Night (Thanks for the opportunity to serve our Association). A special thanks to Susan Gaster and Suzanne Bowen for accompanying the choir and playing for "M" Night. Thanks also to the section leaders who helped us learn our music and for the great young people that came to sing. We'll be doing it again and know we'll fill the choirloft to capacity at Oakley Baptist this year with some really super young people. "Come before His presence with singing." Psalm 100:2

FAMILY MINISTRIES

Family Ministries is an important ministry that many of our families need help in. A family (husband and wife) have had training and are certified to lead churches in developing programs in Family ministries and Family enrichment. They are ready to be used for this service. ROYAL AMBASSADODRS

The Royal Ambassadors Congress' Field Day was held August 26, 1989 at Cumnock Baptist Church. Forty-Two (42) Royal Ambassadors and leaders from 5 churches were there with Rev. Mark Meadows of Hunt Springs giving the message at the Congress.

I hope to make this an annual event with the 2nd Annual Sandy Creek RA Congress and Field Day being in April of 1990.

NORTH CAROLINA BAPTIST COLLEGE REPORT

CAMPBELL	CHOWAN	GARDNER-WEBB	MARS HILL
1887	1848	1905	1856

MEREDITH	WAKE FOREST	WINGATE
1891	1834	1895

Baptist and their colleges have been doing Christian education together for a long, long time. Look at those dates listed with each college above. When they are totaled, the cumulative number of service years for our seven colleges is **807**! North Carolina Baptist have grown up with their colleges, so much so that it is difficult to imagine our total mission program without them. During the 1988-89 school year there were 18,534 students and 2,249 faculty and staff engaged in the programs of Baptist Colleges.

If you should ask our college leaders what is uppermost on their minds theses days, you would get an answer such as this: "Christian education, Baptist students and Cooperative Program Support." A sentence or two about each of these:

CHRISTIAN EDUCATION. There are large and important differences that belong to Baptist colleges. They are smaller, friendlier campuses where Christian community is present and encouraged and where education and the Christian faith are compatible.

BAPTIST STUDENTS. Young people from our churches are encouraged to apply to Baptist Colleges. Pastors and parents can help students with their life plans when the guide them toward Baptist schools. Generous student aid and work programs make it possible for any qualified student to attend a Baptist college.

COOPERATIVE PROGRAM. Your NC Baptist Colleges say "Thank you" for the generous dollar support through the Cooperative Program. Baptist dollars buy quality Christian education and make healthy institutions possible.

SENIOR ADULTS

Baptist Senior Adult work is promoted through the Sunday School Board, SBC. Senior Adult organization are formed to help provide needed ministries to elderly people in our churches and communities.

Church organizations usually center their attention on social and spiritual programs, since financial and medical help is widely available through federal and state programs. They need to be very flexible, as needs of the elderly can change quickly.

Senior adult organizations have no program emphasis of their own. Instead, members are encouraged to cooperate as much as possible with the other programs in the church, such as Sunday School, WMU, and Church Training.

In the association your director leads one of the conferences during Key Leadership training, and plans two meetings a year. One in the spring is called a retreat, which focuses mainly on personal growth in some area. One in the fall is called a rally, and focuses mainly on fun and fellowship.

In May 1989, the retreat was held at First Baptist, Siler City, and was led by Dr. Robert Newton, of the NC Baptist State Convention. He spoke on improving family relationships. Thirty three people attended, with 11 churches represented. In September, the rally was led by Glenn Phillips, Jr. of Henderson, who led get-acquainted activities and old favorite songs and hymns. Seventy eight people were present, with 14 churches represented. The host church was Bethany in Gulf.

Throughout the year, articles have been submitted to **The Link** suggesting worthwhile books, magazines and other publications to read and interesting, inexpensive trips which groups might take in this area of the state. You are invited to ask for specific advice on how to form a church of senior adults or how to strengthen one that is already formed.

HOMES FOR THE AGING - RETIREMENT HOMES

This marks the 38th year of ministry by the Baptist Retirement Homes to the Baptist Older Adults of the State. Charged in 1951 with the mission of providing residential care for the "Aged Saints," the Homes provide care for Older Adults in five location across the state (Albermarle, Asheville,, Hamilton, Winston Salem, and Yanceyville). A new continuing care retirement community, Brookridge, located in Winston-Salem will open for operation in the fall of 1989.

Recognizing the growing need for quality residential care for Older Adults, the Board of Trustees of the Retirement Homes has formulated a three-pronged long range plan to meet this need: 1) To work with churches and associations in the development of regional continuing care retirement communities in the West, the Piedmont, and the East, 2) To work with churches and associations in the developement of "free-standing" residential housing (independent-living units, assisted-living units, and nursing-care units), 3) To work with churches and associations in the development of alternative forms of residential care for Older Adults (Respite Care, Adult Day Care, and Home Health Care).

One of the greatest challenges North Carolina Baptist face as they move into the 21st century is the question of how residential-living situations for Baptist Older Adults are to be provided.

With the support of North Carolina Baptists, the Retirement Homes sees this challenge as a wonderful opportunity for ministry.

Rev. C. R. Smith, Jr.

ASSOCIATIONAL REPORT

Voices, voices, voices! Screaming confusion and all clamouring for the Christians attentions. But there is one small voice, the voice of Jesus, which merits our listening to in our individual hearts, churches, and association.

Associational attempts have been made during the year 1989 to help each of us recognize our needs and to better accomplish them. Some have taken advantage of these helps while others have not. But even so God has blessed us in so many ways.

Churches have made additions to their buildings. Some individuals and churches have done mission work locally and abroad.

A Spanish Mission begun by First Baptist Church, Sanford is progressing well, Hunt Springs Church built and dedicated its new Sanctuary. Several thousand dollars, clothing and food has been given for victims of Hurricane Hugo.

Let us pray and continue a good or even better work during the coming year. Plan now if you have not done so to participate in the "Here's Hope Revival" in the spring of 1990.

Ernest L. Davis, Sr., Director of Missions

VACATION BIBLE SCHOOL REPORT

I want to thank each of you who gave me the opportunity to serve you as Vacation Bible School Director. I extend a sincere thank you to each person who participated in the clinic. Without the help of my devoted team members and the excellent treatment of Rives Chapel this years meeting could not have been. I want to thank each one of them for their hard work. This year's attendance was 62. The number of churches that participated are less than one half of all the churches in the association. Please pray about our Vacation Bible School leaders in all of the churches, that each of us may be better learned and prepared by attending these clinics.

Cindy Gurley, VBS Director

REPORT OF THE LONG RANGE PLANNING COMMITTEE

The committee met three times during this year. At the first meeting we formulated the purpose and the objectives of the Sandy Creek Baptist Association and organized ourselves into work groups. At the other meetings we discussed areas in which planning should be done and after doing some research came together to write this report.

Areas in which planning needs to be done are as follows:

1. Locating places where missions and churches should be started.
2. Locating and purchasing land in new developing areas.
3. Places where Sunday School can be started or a Sunday School class can be taught.
4. Possible places where Language missions can be conducted and churches started.
5. Being sure worship services and Bible Study is being held in penal institutions.
6. A ministry being provided for parolees and their families.
7. Locating small struggling churches and provide support where needed.
8. Provide support system for pastors and staff, also their families, who are in distress.
9. Develop financial resources needed to do enlarged ministry.
10. Provide a professional counselor for people in need and to whom pastors refer these people.

In all of these areas work will need to be done to enlist churches to provide

organization and persons to carry out the set goals.

Churches will need to start giving a small percentage increase in their contributions over a long period of time.

Funds will need to be set aside yearly so money will be available to purchase land and to aid in other ministries.

A professional counselor could be secured on a part-time basis in the beginning, then as needs demanded, work into full-time program. It is possible neighboring associations could be enlisted to join this ministry.

This committee will have a number of recommendations to be brought before next year's annual meeting. Full reports will be made at the executive meetings with opportunities for input from members of our churches.

HISTORY OF BRUSH CREEK BAPTIST CHURCH

Purefoy, in his "History of the First 100 Years of Sandy Creek Association" states that the Sandy Creek Baptist Association met at Brush Creek Church in 1816. However, the first steps toward the organization of a church at Brush Creek were taken January 10, 1824, when Sandy Creek Baptist Church granted a petition for this constitution of a church at Brush Creek Meeting House. On the second and third days of September following the church was duly constituted. The first day was devoted to prayer and a sermon by Elder Michael Swain. The next day the organization was completed. The presbytery consisted of Elders Adam Moffitt, William A. Farthing, and Michael Swain. 72 members united with the church including "Sandy" a slave. Tidance Lane was elected clerk and Samuel Moffitt treasurer, and each male member was assessed 15¢ for expenses.

In April 1826, Aaron Moffitt and Eli Bray were chosen deacons. In 1825 Frederick Caviness was licensed to preach. It seems that about 1828 Elder Eli Phillips was chosen first regular pastor. About this time, by request the church agreed to hold one meeting in each 2 months at Moons Chapel Church. This arrangement continued for several years. When Sandy Creek Association met in 1825 at Friendship Church the following were delegates: John Hutson, Eli Bray, and Tidance Lane.

In 1826, Sandy Creek Association met with Brush Creek reporting 2 baptisms and a total of 73 members. Tidance Lane was elected associational clerk.

In December 1832, members of Brush Creek asked the question "Does this church approve of the Baptist State Convention and its doctrine?" After several months of discussion the matter was compromised by leaving it to "each member and his God".

It appears that Brush Creek continued with varied fortunes until about 1845 when interest and membership began to wane, and in 1846 the church began to fail to hold meetings. The work was revised and in 1849 under the leadership of Elder Job Jacks and the meeting place was moved to Lanes School House. The church continued to meet there until about 1856 when Gerry Law gave the present site.

Sandy Creek Association met during the Civil War in 1862 at Brush Creek.

The church has had 4 houses of worship: 1st - built of hewn logs, 2nd - Lane School House used for several years, 3rd - house on the present site built in 1856 and used until 1928 when it was torn down to make room for the present brick building with Sunday School rooms and a bapistry. Since then in recent years the sanctuary has been completely renovated, new pews, new carpets, new windows and other improvements. Across the road a recreational building, a multipurpose building, recreation plan area, a house for caretaker. Land was donated for a parsonage about 1 mile from the church. This was used until a brick parsonage was built in Siler City.

Brush Creek takes pride in the interest in the cemetery. Memorial Day 1955steps were taken to establish Brush Creek Baptist Cemetery, Inc. which makes provision that all funds donated to the cemetery were to be invested and that the income only should be used to keep and maintain the cemetery. The church is indebted to Mr. Thomas M. Brooks for his interest and generousity in the cemetery.

Sandy Creek has met other times in 1897, 1917, 1939, 1954, 1973, and 1989. The present pastor is John Hamm. Rev. Hamm has been at Brush Creek for 4 years.

Brush Creek Baptist Church has enjoyed steady growth with a present membership of 270. Their gifts to missions have increased.

YOUTH MINISTRY

In II Timothy 3:17 we are exhorted, "...That the man of God may be adequate, equipped for every good work. As the new Associational Director for the upcoming church year, I am committed to equipping the leaders of Youth in our Association. Many have already heard me comment, that if we don't have an activity for the Youth of our Association this year, I won't be upset, because I believe with all my heart that our mission for this year is to train, equip, encourage, and support the adults who minister to Youth, week afer week, month after month, and year after year. I believe that we must get "back to the basics" of growing Youth programs that are all inclusive of the total church structure of Youth Involvement in Sunday School, Discipleship Training, Music Ministry, Missions, and Worship Services. A Youth Program based solely on Wednesday nights can not be truly effective in the well-rounded growth of today's teenager, but must be supported and supplemented by all the programs available to Youth within the church. As we grow and develop strong ministries to Youth in each church, then the growth, and excitement, and enthusiasm of these committed, Christian youth will grow a strong Associational youth program. We must start at the beginning, and the adult leader of Youth in each church is at the very heart and center of Youth revival breaking out in our communities, counties, and Association.

I desire to have several meetings with the adult Youth leaders in our Association for training and equipping. I also make myself available to every church to help you grow a youth program within your body of believers, whether it be a meeting with adult leaders, speaking to Youth, or whatever the need of your Youth program. I will be mailing announcements of upcoming meeting dates and urge every adult Youth leader to attend these meetings.

I have also tentatively planned two activities for the Youth of our Association. One event will be held on New Year's Eve for games, food, fun, fellowship, and a program involving soul searching, prayer, and communion to usher in the new year. The second event will be our association "EXTRAVAGANZA", a Saturday of Youth and Adult leaders seminars, game competition between the churches, and concluding in the evening with a concert. I covet your prayers for the direction and ministry goals of these events.

In conclusion, lets's take to heart and make it our personal committment of our approach, attitude, and purpose of ministering to the Youth we come in contact with, the words found in Hebrews 13:21 that srike at the very heart of an adult Youth leader"....equip you in every good thing to do His will, working in us that which is pleasing in His sight, through Jesus Christ, to whom be the glory forever and ever. Amen." (NASB)

Eric N. Davidson, Associational Youth Director

GENERAL BOARD OF BAPTIST STATE CONVENTION

In January of 1989 I began serving a four-year term on the General Board of Baptist State Convention. The opportunity to serve the Sandy Creek Association in this capacity has already provided many challenges. I feel quite humbled and blessed. I thank you for this privilege. I will now work to earn the right.

I am impressed with the organization, dedication, and abilities of our state leaders. The General Board meets three times annually to transact regular business for the convention between annual sessions. Actions by the General Board of special interest this year are as follows:

Cooperative Program strongly supported as evidenced by responses to "Letters of Encouragement" mailed by Roy Smith and O. D. Martin to Pastors in August.

Recommendation that the Baptist Children's Homes, Baptist Retirement Homes, and the Baptist Hospital return to receiving separate special offerings beginning in 1991.

The Sao Paulo Partnership has proven to be an exciting one. Over 500 persons have gone and more are going this year. In 1991 there will be a special statewide evangelistic campaign movement in the state of Sao Paulo and it is hoped that 1500 people from the states will go to participate in the significant event.

Approval of Partnership with Poland as a result of two years of discussions with the Foreign Mission Board and the Polish people. The partnership is limited initially to assisting in the construction of a seminary outside Warsaw.

Emphasis on "Substance Abuse". Seminar to be held October 23 at Caraway. Keynote speaker to be Keith Miller.

Dr. Bruce Whitaker retired as President of Chowan College.

Name change of Wingate College to "Cannon-Wingate University". A change in the constitution will be presented at the annual session.

Church Training name changed to Discipleship Training.

Gerald Bruce Moore employed as Associate for Adult/Growth work in Discipleship Training Department.

Dr. Alex Booth will complete his presidential duties at Fruitland Baptist Bible Institute October 24, 1989. W. Mack Roberts from Fayetteville will succeed Dr. Booth.

Caswell Conference dedicated to Fred Smith and Eudell Smith.

Actions of the General Board may be fully followed in the **Biblical Recorder.**

BAPTIST CHILDREN'S HOMES

While maintaining group care services in place since 1885, BCH also inaugurated two innovative services in Care House, the first home for teen-aged mothers and their babies we know of anywhere and the Philpott Parent Aide Program.

Care House, where five teen-age mothers will learn to parent their babies, was dedicated June 4 during services at Lenoir's Lower Creek Baptist Church. Also dedicated then was the Marguerite Noel Home for Girls, our second behavior change home.

Until Care House, a young girl who had a child often could not return home. If she wanted to bear her child and keep it, the child had to go to one foster care home and the young mother to another until she was of age.

The Noel Home, like Moody Home in Franklin, cares for girls whose difficult behavior prohibits them from living at home or in traditional group care settings.

On June 21 BCH dedicated the Philpott Aide Program in Davidson County. Trained volunteers will establish relationships with homes labeled "at risk" for child abuse. The volunteer will be counselor and friend, critic and confidant to help families spot and correct areas that lead to child abuse or neglect.

With renewed emphasis on church communication, BCH named two men to act as directors of church relations and planned giving. Charles Tanner and Bill Morrow will arrange BCH speakers for your church and help your members with estate planning.

BCH continues to implement "intentionalized services" according to the long-range plan it adopted in April 1988. Peer culture therapy is being utilized on children at Odum Home and Noel Home and is being phased in at Mills Home. This program makes the children more responsible, both for themselves and others in their cottage.

BCH continues to garner popular support with North Carolina Baptist who contributed $1.52 million through the Cooperative Program last year. In the 1988-89 fiscal year, more than $1 million has been received in bequests.

The executive committee of the General Board of the Baptist State Convention of NC this year declined to adopt a report of a special study committee that would have drastically reduced BCH's share of the Cooperative Program. The committee recommended, and the General Board supported, a return of individual special offerings to Baptist Children's Homes, Baptist Retirement Homes and Baptist Hospital. All three social services agencies support such a move, which would eliminate the Homes and Hospital Offering they share. The state convention will vote on that proposal in November.

BCH operates four group care campuses, eight emergency care homes, a home for unwed mothers, a teen mother/baby home, two behavior change homes for girls, therapeutic camping and a model child developement center. It has work in 17 locations across the state.

All campuses and facilities welcome involvement by local churches, RAs, GAs, WMUs and Sunday School departments. Baptist support is strong for children and families and we pray it will continue to strengthen as needs grow every day.

SHUBAL STEARNS

In order that our younger people and newcomers to our association may know how our association began we have a place on our program for remembering its founder Shubal Stearns.

Shubal Stearns was born in New England in 1706. When he was 35, he joined a religious group called "New Lights". He studied the Bible, especially the New Testament teaching on baptism. He decided to become a Baptist and was baptized by immersion.

He felt strongly that God had a work for him outside of New England.

In 1754 he and his brother-in-law moved to Virgina and both preached there. He still felt that God wanted him somewhere else.

He heard that there was an area in Piedmont, North Carolina, where the people wanted to hear about Jesus. Shubal Stearns said "At last maybe this is where God has work for me. I will go and see."

On November 14, 1755 eight couples arrived at Sandy Creek and they became the first members of Sandy Creek Baptist Church. They first worshipped under a brush arbor but they soon built a log cabin church. Shubal Stearns felt that he had found the place God wanted him in. He preached about a New Heart. At first the people did not understand but as they listened to this dedicated man talk about God's love they responded. Now they understood that when they began following Jesus their hearts were changed and they became like new people with new hearts. So great were the results of Shubal Stearns life and preaching that in 7 years 42 churches and 125 ministers had come from the small beginnings.

Shubal Stearns organized an association of the churches he had begun. Sandy Creek Church is now in Randolph Association. We feel strong ties to our Mother Church and make a contribution to it each year. A financial statement is in book of reports. Many people go to this historic church each year to visit the graves and monuments that remind us of our debt to his leadership. This church, Sandy Creek is located near Staley. Burdine Womble

JONESBORO HEIGHTS BAPTIST CHURCH

The present Jonesboro Heights Baptist Church was organized September 29, 1869, by Rev. Oran Churchhill and Rev. Stephen Gilmore at Poplar Branch in Moore County. At the first church conference the 20 members adopted the following resolution: "Resolved that the body shall be known as St. John's Baptist Church". W. M. Brooks, A. Hunt and P. C. Ferrell were named delegates to meet with Sandy Creek Baptist Association meeting in Carthage before the 1st Sunday in October 1869.

In the fall of 1870 in conference St. John's Baptist Church voted to move to Jonesboro, North Carolina, on which is this present site and would worship under an arbor while the first church was built. They also decided to change the name to Jonesboro Baptist Church.

In 1884 a parsonage next door to the church was completed. In 1889, the second frame building which was larger was built. In 1882 Sunday School and W.M.U. were started. The church continued to grow and by 1912 they had 223 members.

In 1946 the name of the church was changed to Jonesboro Heights Baptist Church.

The third church house was started in March 1950 while Rev. Robert A. Gardner was pastor. A new parsonage on Harkey Road was completed in 1956. That same year the building debt was retired.

Under the pastorate of Rev. John D. Smith the church voted to become full time. A brotherhood was organized in 1956 and on June 7, 1959, services were held to organize a mission. During the same year a mission was organized and on October 7, 1962, the mission became a constituted church known as Tramway Baptist Church.

April 1964, Rev. Gilbert McDowell became the pastor.

On September 3, 1967, groundbreaking services were held for the first unit of the educational section of the master plan for the church.

In 1969, Jonesboro Heights celebrated its 100th anniversary.

Construction began in 1973 on the new sanctuary and dedication service for the new sanctuary seating 730 was held Sunday, July 27, 1975.

Through recent years, they have purchased buses, provided pavedparking areas, youth center erected in 1983 and purchased additional property. All of this has been under the able leadership of Rev. McDowell, who observed his silver anniversary as pastor of Jonesboro Heights Baptist Church this year.

The church has supplied the Sandy Creek Association with moderators, WMU Directors, Church Training Union Director and other leadership at Tramway mission, leadership at Hunt Springs. They saw their pastor Rev. John D. Smith answer the call for mission field. The Association has met with them in 1896, 1912, and 1938 when the association met 3 or 4 days at the same church and in 1956, 1963, 1975 and today.

Present church membership has grown from 20 to 540. They have all organizations of the church. A minister of Music and Education, Minister of Youth, Church Secretary. Biblical Recorder goes in every resident family home. Home Life provided each resident home. Morning worship broadcast over local radio. Open Window daily devotional magazine provided each church family. May Jonesboro Heights Baptist Church continue to show dedication and leadership to Sandy Creek Association.

CHRISTIAN LITERATURE REPORT

The explosion of knowledge in every field is largely the result of the invention of the printing press. Without the printed page there could be no books or other forms of literature -- including the Bible as we know it.

Evangelism, missions, and education --the three thrusts of the church-- all depend on the undergirding support of literature. Literature is envisioned, planned, published and distributed for every age group. It is doctrinally sound, creatively prepared, and efficiently promoted. Its purpose is both to inform and to inspire to Christian witness and ministry.

Each state convention coordinates its work through its own journal. The NC Baptist State Convention's journal is, of course, **The Biblical Recorder**. It has served as our Baptist state paper for 156 years. North Carolina Baptist through this single source of news and information make decisions and evaluate ministries. It seeks to serve churches large and small, in cities of all sizes and in the open countrysides. It serves, therefore, a broad constituency with varied needs.

Nothing else in our state convention matches the **Biblical Recorder** as a single resource of news, information, inspiration and challenge in our mission efforts together. Plans for the future include more feature articles about North Carolinians, more articles geared to youth, family and women. A greater and greater focus will be place on laypersons.

Some of the churches in our association have the Every Member Plan for the **Biblical Recorder**. Others would do well to do the same. In addition, every church would do well to evaluate and maximize the use of all Southern Baptist Literature --both that which is currently uses and that which is available but is not currently being used. Informed church members tend to have greater vision, do a more dedicated work and work together in unity. Lack of information stifles and stagnates. Progress comes when people have information and are challenged to prayerfully act upon the imformation they have.

Del Parkerson, Associational Representative

CHRISTIAN LIFE AND PUBLIC AFFAIRS

Through its various departments, the Council on Christian Life and Public Affairs has provided a variety of field service events and educational resources for NC Baptist. Associational Christian Life Committee members were trained. Information, materials, and guidance on a wide range of social and erhical issues were furnished to individuals, churchs and associations.

Ministries among older adults continue to expand among the churches in North Carolina. Conferences, seminars, rallies, and training opportunities are being conducted by churches and associations to meet the needs of this fastest growing segment of our population.

The Subtance Abuse/Dependence Department is new as of February 1, 1989, having been approved by the convention in November 1988 annual session. Seeking ways to assist Southern Baptist churches to be redemptively involved in addressing what many say is our nation's worst problem, several program directions. have have been set. First, in cooperation with the Baptist Hospital Department of Pastoral Care. Second, a film and study guide has been available since August 1. Third, several radio and TV Public Service Announcement spots are scheduled for release in February 1990. Fourth, the "On Trac" material from the Texas Christian Life Commission has been studied and approved by Substance Abuse/Dependence Advisory Committee.

In 1988, North Carolina Baptist led all other states in contributions to the hunger funds of the Foreign and Home Mission Boards. During the first two-thirds of 1989, our gifts were running just slightly above 1988 levels.

CHOWAN COLLEGE

MURFREESBORO, NORTH CAROLINA 27855

October 12, 1989

Mr. Wayne Phillips, Moderator
Sandy Creek Baptist Association
P. O. Box 87
Bennett, NC 27208

Dear Mr. Phillips:

Warmest Best Wishes to you and your fellow messengers to the Sandy Creek Baptist Association as you gather in annual session to review the record of 1988-89 and to anticipate added opportunities for mission and ministry during 1989-90!

Those of us who are privileged to serve Baptist young people through an institution of Christian higher education like Chowan College want to commend and congratulate the churches of your association for their continued faithfulness in proclaiming the Word and in ministering to the needs of their congregations and communities. Moreover, we also want to commend and congratulate your churches for their record of support to cooperative missions through the Cooperative Program. Such support continues to confirm their identity as partners with Southern Baptists everywhere in a world mission task.

A part of that support, as well as one facet of that partnership, is reflected through the undergirding of the program and mission of Chowan College--an institution of Christian higher education, related to the Baptist State Convention of North Carolina. Accordingly, President Jerry F. Jackson joins me in saying "Thank You!" to all the churches for their financial support during the past year, their prayers on our behalf, and any youth from their communities who have been commended to our educational care and keeping. This sentiment, of course, is also voiced as well on behalf of the Board of Trustees, the administrative staff, the faculty, and the current student body of the college.

In lieu of our physical presence for your deliberations in annual session, we would join you in spirit as you celebrate the record of a year past and anticipate the opportunities for the year to come, through the Grace of our Lord, Jesus Christ.

Cordially,

R. Hargus Taylor

MODERATOR

REV. GENE BOOKER

53rd Moderator of Sandy Creek Association

DEDICATION

The Sandy Creek Association dedicates this Annual to Rev. Ernest Davis, who has served as our Director of Missions for the past 11 years; and to his wife Faye, who has served as Secretary.

We thank you, Rev. Davis, for your faithful and loyal service and your "Vision of Missions" to start new churches. Our Association has grown because of you.

We wish you both the very best in whatever the future holds for you. Our love and prayers go with you. Thank you both and God Bless You.

IN APPRECIATION

We, the Sandy Creek Association, dedicate this page to Nell Morgan, who has served as Church Training Director since 1972. She has loved working in this capacity all these years and has done a super job! She has been an inspiration and a challenge to us in our Association. Thank You, Nell!

CONSTITUTION AND BY-LAWS SANDY CREEK BAPTIST ASSOCIATION

PREAMBLE

We, the cooperating missionary Baptist churches of the counties of Alamance, Chatham, Lee and Randolph, do hereby propose to establish and maintain the principles and rules of order of our association in conformity to the following plan:

ARTICLE I - NAME

The name of the body shall be the SANDY CREEK BAPTIST ASSOCIATION.

ARTICLE II - PURPOSE

The purpose of this association shall be to inspire, encourage and enlist the membership in a spirit of brotherly love and cooperation for the promotion of our associational programs, the work of the North Carolina Baptist State Convention, and the Southern Baptist Convention to the end that the Gospel of our Lord and Savior Jesus Christ might be proclaimed with greater power and effectiveness in our association, our state, and nation, and unto the uttermost parts of the world.

ARTICLE III - OBJECTIVES

1. To provide programs, projects, and organizations which will strengthen the fellowship and assist the churches in achieving their goals and objectives.
2. To discover needs which cannot be met effectively by any one church and to coordinate the use of associational resources in meeting these needs.
3. To involve churches in cooperative experiences in evangelism, mission education and benevolences.

ARTICLE IV - AUTHORITY

This Association is a self-determining body under the lordship of Christ. It determines its own membership and programs but has no authority over the churches affiliated with it. However, the association may, upon invitation from a church, counsel with that church.

ARTICLE V — MEMBERSHIP

Section 1. The Association shall consist of messengers who are members of the affilated churches as follows: (1) officers of the association; (2) pastors of the member churches; and (3) the duly elected messengers of these churches on the basis of: three messengers from each church with 100 members or less, and one messenger for each 50 members thereafter, but no church may have more than eight (8) messengers plus pastor of respective church.

Section 2. A quorum shall consist of messengers from at least 50 percent of the member churches.

Section 3. Voting shall be limited to duly elected messengers or their alternates.

Section 4. The application of any church for membership shall be referred to the Missions Council which shall examine the covenant and articles of faith of the church applying for membership, and, upon a favorable report of the Missions Council, the church in question may be admitted as a constituent member in this body by majority vote of the messengers at the annual meeting, providing that the church so received shall agree to come under the watch care of the association for a period of one year and that the church shall have all privileges of the association except that of voting for that first year.

Section 5. Any duly constituted Baptist church, in good standing with another Baptist association desiring membership with this body must make application to the Executive Board at least four (4) months prior to the annual meeting. Upon the recommedation of the Executive Board, and a letter of recommendation from the association it is leaving, it may be received into full membership by majority vote of this body.

Section 6. The association may at any time dissolve connection with any church that ceases to abide by this constitution and the spirit of the same.

Section 7. Any church may withdraw from the association at its pleasure.

The Stewardship Committee's plans to achieve these objectives have been and continue to be: 1) Chairman participated in a Stewardship Seminar. 2) Chairman participated in a Christian Money Management workshop. As a result of this workshop, chairman recently taught a six hour seminar on Money Management to a class of fourteen participants and has plans to work with another group. 3) Budget for the association is prepared in March each year for the upcoming associational year, and is presented at the April Executive Committee Meeting for approval to be adopted at the annual meeting. This time schedule allows for individual churches to have associational budget in hand when preparing their church budget.

4) Appreciation is expressed to all churches for support of their associational budget. The total budget for 1990-91 is $81,602 which is an increase of $5,806 or 7.66% over the 89-90 budgetted amount. In approving this budget for adoption at the annual meeting we have accepted a great challenge to support associational missions through our churhes.

SUNDAY SCHOOL

Our Sunday School Challenge for the 1990's is centering around breaking the pattern of no growth or slow growth and gaining a new vision of reaching unsaved and unchurched people through Bible Study. We celebrate the achievements of the past year and welcome new Sunday School leaders whom we hope will join with us in promoting evangelism for the decade of the 90's.

The associational team has been active this year in promoting Sunday School. Planning for the "Final Four" enrollment activity was held May 1 with eight churches participating.

The Evangelistic Rally was held in September at Flat Springs with approximately one hundred in attendance.

The association training was held at Loves Creek. The "Break Through-Reach to Win" emphasis for evangelism through Sunday School was presented to all age groups.

DISCIPLESHIP TRAINING

Primary strategy for Discipleship Training for 1990-95 is Disciple All. Discipleship training for all church members. Discipleship All focuses on 1) challenging church leaders to accept responsiblity to provide a balanced discipleship for all church members and their families and 2) challenging all church members to become involved in Discipleship Training opportunities.

"M" Night was held at Oakley on Monday, November 6, 1989. Rives Chapel won the Attendance Banner and Fellowship the precentage one. We had 235 in attendance - fourth largest attendance for "M" Night in the state in 1989.

We had four youth to go to the state Children's Bible drill. Discipleship Training has session at Key Leadership in September.

In October of 1972 I started as Church Training Director of our association. These eighteen years have been a great blessing and enrichment to my life to work with all of you. I love what Discipleship Trianing can do for our churches. Thank all of you for your prayers and support. Now the time has come for us to support our new Director, Mr. Bill Norris, Joneseboro Heights. Mr. Norris, we welcome you as our new Director and pledge to you our support and prayers.

Nell Morgan, Discipleship Training Director

WOMEN'S MISSIONARY UNION

IN HIS NAME, REACH, TEACH, and TOUCH, the emphasis for 1989-90 has been the basis for all that's been accomplished in WMU during the past year. Our prayer is that we never lose sight of this emphasis even though we turn now to a new year with the emphasis on being EMPOWERED by the Holy Spirit. We can only Reach, Teach, and Touch effectively as we are given power by the Spirit. This, after all, will always be our task, not only as WMU members but as Christians.

In November and December, we focused our attention on Japan in our foreign mission study; taught by your director and assistant in 7 churches. The study was followed by our Lottie Moon Christmas offering. Our association does well by this offering but can we ever do enough.

In the spring, our home mission study **So The Lost May Hear** highlighted the lives and work of three missionaries and how they reach, teach and touch lives in their areas of missionary service. Should winning the lost in America be any less important than winning the lost in foreign lands.

We were blessed at our annual meeting in April at Hunt Springs Church. Speakers were Carolyn Barbe, missionary to Sierra Leone; Lee Phillips, Juanita McIver and Michael Holt sharing about their missions trip to Brazil. David Langsford from the NC Baptist Men's Department spoke.

WMU is not only adults studying and being blessed by our planned activities; our children and young people also were busy. Mission Friends leaders came together for fellowship and training; Girls in Action met for a field day; Acteens were busy with a pep rally; Baptist Young Women had a banquet and a second event. In the area of Mission Action/Personal Witnessing, 40 women attended the study on Witnessing Women.

Reaching, teaching, touching, "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me" (Matt. 25:40)

Jean Walker, WMU Director

BAPTIST HOSPITAL

"The largest health-science building program ever in North Carolina has changed the landscape on Hawthorne Hill, and the changes continue in rapid succession . . . One thing that hasn't changed is the institution's tradition for delivery of compassionate health care. That will never change." This statement from Dr. Charles P. Nicholson, Jr., Baptist Hospital Trustee and Chairman of the Medical Center Board of Directors, is both a report and a commitment.

Another building in this expansion program, Clincal Sciences Building, houses most of the Medical Center's ambulatory services; also will accommodate an Ambulatory Surgery unit, Medical Center Administrative Offices, and other functions. Nearing completion, is the Day Care Center for children of medical center employees. An addition to the MRI (Magnetic Resonance Imaging) building is under construction; also an addition to the Patient/Visitor Parking Deck; construction on the Center on Aging is scheduled for early 1991.

All these new facilities will "enable us to respond to patient needs better than ever before." In addition to continuation and improvement of many established procedures, several new diagnostic and treatment programs have been started recently; bone marrow transplants are being performed; Cranio-facial clinic opened recently. New laser technology provides improved method of clearing blocked carotid arteries; new surigcal techniques make better treatment for retinal detachment available; different techinques for repair and lengthening broken bones; new approaches effectively used in treating children with Cerebral Palsy.

Through these various services we continue to provide care for patient admissions, in addition to the amabulatory patient visits in the various clinics. These patients come from all across NC and from 34 other states.

The Pastoral Care, The Minister's Care Plan, the new Missionary Counseling and Support Services were all ministries that provided services to our people. Cooperative Program, Homes and Hospital Offering and direct gifts make these ministries possible. The hospital staff and patients are most grateful for this continuing financial support.

Mark Meadows, Hospital Representative

ANNUITY BOARD REPORT

There are three recent changes in the services and ministries provided by the Annuity Board. These include 1) a change in health insurance carriers; 2) a new property and casualty insurance program; and 3) a new ministry to annuitants.

Change in Health Insurance Carrier. Health care costs are continuing to rise at an alarming rate. Effective July 1, 1990, Prudential Insurance became the Annuity Board's health insurance carrier; the change was made to provide "comprehensive medical protection . . . in a way that would help hold down the cost of coverage."

Property and Casualty Insurance. This insurance program is a response to a growing need for churches. Some 1,800 churches burn each in the U.S. and losses are only partially covered by insurance. The Annuity Board's Property and Casualty Division can help a church review its coverage and start planning for needed coverage.

New Ministry to Annuitants. The are many SBC ministers or widows that have retired after years of service and are now in great financial need. The "Adopt an Annuiant" Program provides an excellent opportunity for your church, individuals, Sunday School Classes to financially assist one of the 3,400 retired ministers or widows whose monthly income is below the government poverty level. Ways to help: Pledge $600 a year (lump sum or $50 a month-every cent goes to Annuiant) or give a gift of any amount to the Retired Ministers Support Fund. This is an opportunity to touch individual lives in a special way.

John S. Hamm, Annuity Board Representative

TRUSTEES REPORT

"The trustees conferred several times by telephone. As directed by the Executive Board we met to look over property on US 421 near the Old Place in Chatham County. The four acre tract was 'walked over' and inspected. While it had road frontage on US 421, the access road would have to be filled and graded for several hundred feet. The trustees attempted to gain, from the Highway Department, direct access to 421 but were denied. We felt we had no choice but to recommend against purchasing the property since the cost of improving the access road would be prohibitive.

The trustees are ready to seek property in that vicinity if the association instructs us to do so."

FAMILY MINISTRIES REPORT

Our society and lifestyles today set up tremendous needs for Christian aids to healthy living. While we have always tried to minister to the needs of individuals, in the late 1970s Southern Baptists became concerned about the impact of our changing lifestyles on the Christian family. Family ministries is the result of that concern.

The purpose of Family Ministries is to meet the distinctive needs of all members of the Family and to positively influence Christian family life and relationships. Family Ministries is not a counseling service for crisis situations. Those problems require professional help. One of the results of Family Ministries is a reduction in crisis oriented problems. A second result is the enhancement of the total ministry of the church.

Most churches in our association do not have any organized family enrichment organization. With this in mind, the goals of our association Family Ministries include: 1) to increase our churches' awareness of family ministry and how family enrichment concepts can improve and enhance their total ministry; 2) to promote the convention and state family minstry events; 3) to start an active Associational Family Ministry Council from interested lay people and ministers to meet each quarter and assist churches in various aspects of family ministries. 4) to have at least one training session for those interested in starting and/or continuing Family Life Committees in their churches.

Ray and Debbie Hockaday, Family Ministries Leaders

DIRECTOR OF MISSIONS REPORT

The year of 1989-90 has been a very unusual for me. I have only been able (due to health problems) just to be available when needed through much of the year. However, some progress has been made in the Association and I am grateful for that.

Thank you so much for your supporting me through these difficult times of decisions which I have had to make.

Continue to pray for us. We shall ever be grateful for all the expressions of warm love through words of concern and the gifts that you have shared with us.

It is my sincere desire that the days ahead with your new Director of Missions, whomever he may be, will be days of wonderful Christian growth and prosperity.

Thank you and thank God for the privilege of serving you in the Sandy Creek Baptist Association during the past eleven years.

RA REPORT

This year I had visited two churches to help build up their R.A. Programs.

On May 12 we had our second Annual R.A. Congress and Track Meet at Cumnock Baptist. The Congress was led by Rev. Ray Smith. We had a total of four churches represented. Ribbons and medals were awarded to the boys in various track and field events.

Greg Light, RA Director

VACATION BIBLE SCHOOL

This year we had 100% of our Associational VBS Staff attend the state Vacation Bible School Training last March.

On Saturday, April 28, at Hunt Springs Baptist Church we had our Associational VBS Clinic with 58 in attendance and thirteen churches represented. Our VBS staff did an outstanding job in leading their conference. I believe this was a rewarding clinic to those churches who attended.

Throughout this summer I had the opportunity to visit and work in four area churches VBS and all had successful Vacation Bible Schools.

Vacation Bible School is an opportunity for us to reach people for the cause of Christ.

Thanks for the opportunity to serve as your Associational Vacation Bible School Director.

NORTH CAROLINA BAPTIST COLLEGE REPORT

A preacher once entitled his sermon, "If Christ Is The Answer, What Is The Question?". The sermon had three points. "How can I live with myself?" "How can I live with others?" How can I live with God?"

Your Baptist Colleges attempt to confront students with life's most important question: What is the purpose and meaning of the created order? How will I spend my one Life? How should I measure success? How much is enough? How can I best serve God and my fellow human beings?

The bests gift churches and parents can give to their youth is a college education where Christian people are seeking answers to truly important questions. The Baptist college experience provides challenges and opportunities, in and out of classes, for young people to become whole, healthy persons both intellectually and spiritually. People who can think clearly about life, including faith and vocation, are the kind of persons needed to establish homes, grow churches and build a better world.

Colleges educate. Churches call persons to faith and encourage spiritual growth. Colleges and churches, then, have distinct roles. Baptist colleges lead students to link learning with faith to produce whole, mature men and women equipped for a lifetime of learning and service.

No question about it, Baptist students and Baptist colleges belong together!

Bob Wachs, NC College Representative

YOUTH MINISTRY REPORT

The 1989-90 Association year was a new beginning for me as your Associational Youth Director. In retrospect, we did not accomplish everything I had hoped, planned and prayed for during the year. However, I believe we did accomplish some good things, and have begun to lay a firm foundation on which to build in the future. I look forward to serving as your Youth Director for the coming year, and am excited about the possiblities of ministry to and for the Youth in our Association.

The '89-90 year in review for the Youth Ministry of our Association includes: 1) "ELISHAH", a Christian band in concert with song, music, and testimony; 2)"NEW YEAR'S EVE HAPPENINGS", a social time of food, games, fellowship, and a spiritual challenge with a movie concerning "the end times, and a devotional message and the Lord's Supper led Mark Gaskins; 3) Adult Youth Leaders meeting for training, sharing and fellowship; 4) "THE CONTINENTAL SINGERS", a touring group of young people from across the country in concert; 5)"JIMMI RAY", a Christian duet from Kings Mountain, NC leading in worship with music and message.

The young people of today are influenced greatly by the music they hear every day. Unfortunately, in most of today's music, the message that is presented is not a message that pleases God. In our attempt to combat these messages of sin, the Youth Ministry of our Association will be presenting a series of music concerts, of "singing praises" to uplift and promote our Lord and Savior, Jesus Christ.

Following are names and dates of these Youth Ministry Events for the 90-91 Associational Year: 1) Sat. November 10, 1990, THE CAUSE; 2) Sat., March 16, 1991, MORNING STAR; 3)Sat., May 18, 1991, (TBA); 4) Thur., July 11, 1991, "THE CONTINENAL SINGERS; **WITNESS from the State Convention Evangelism Department has been contacted and we are attempting to schedule them during the summer of 1991.

Please pray for these Youth Ministry Events of "praise" that each will be glorifying to our Lord, reaching, touching, changing the lives of all who attend.

Eric N. Davidson, Youth Director

HISTORY OF TYSON'S CREEK BAPTIST CHURCH

On Saturday, November 19, 1881, a group of 24 people met at Tyson's Creek School for the purpose of organizing a Baptist Church there -- "for the convenience of those wishing to organize a church there and the great opportuninty and reasonable expectation of doing good for the souls of men and to the glory of God". These 24 were members of various neighboring Baptist Churches.

The newly organized church elected Rev. T. N. Baldwin to serve as their first pastor. John W. Ellis was elected church clerk, and B. B. Phillips from Bear Creek Baptist Church and F. J. Scott from Fall Creek Baptist Church were the first deacons.

1882 was memorable year - Tyson's Creek Baptist Church requested membership in the Sandy Creek Baptist Association, and had its first baptismal service following a revival in August. In 1884 Tyson's Creek Baptist Church agreed to pay $50.00 a year for pastoral services.

The first house of worship was dedicated on the 5th Sunday in August 1885. The school house had been the place of worship until then. This building was later moved some distance from the original site, remodeled and Sunday School rooms added. Other renovations have been made from time to time.

In 1966 a trailer (mobile home) was purchased for a home for the pastor. At this time Tyson's Creek Baptist Church began a full-time pastorate. In 1974 a parsonage was built.

Just before Tyson's Creek observed its 100th anniversary a new educational-fellowship building was completed.

Among the pastors Tyson's Creek has had were Rev. Claude Johnson, and E. W. Byerly both now deceased had the longest pastorates. Rev. Claude Creason, now deceased, served from 1945-1950. His widow is a member here and his daughter, Mrs. Dianne Creason Brooks is church clerk.

As early as 1899, records show that they had a missionary society. In 1989 Tyson's Creek voted to build a new sanctuary on the site of the old sanctuary. Windows, light fixtures, pews and other furniture from the old sanctuary were placed in the new sanctuary. May 6, 1990, a dedication service was held.

In 1909 when Tyson's Creek Baptist Church's membership was 86 they hosted the Sandy Creek Association - not just one day but for four days and spent nights in the homes of members.

In 1950 Sandy Creek Baptist Association met for one day when the membership was 152.

In 1979 the Association met for one day. Mrs. C. W. (Bessie Councilman) McManus, now deceased, was at this meeting. She was a former member of Tyson's Creek Baptist Church and remembered attending those four days in 1909.

The present pastor is Rev. Joe (Sandy) Yow. Tyson's Creek Baptist Church's membership has grown for the original 24 to 238.

EVANGELISM REPORT

The coming year promises to be one of the greatest years for evangelism in the history of the Sandy Creek Association. The goals have been set, the programs have been planned and the fields are white unto harvest. The message of your Evangelism Committee is "TOTAL EVANGELISM". That is: the total penetration by our association churches of our geographic area with intentional witness to every person through total penetration of our membership in witness.

This years goals: 582 baptisms; every church having an organized, active,and effective evangelism program in place; 920 people trained to witness for Jesus.

Four major events 1990-91: Evangelism Conference, January 13, First Baptist Sanford; Witness/Giving Life Revival in the spring; Marketplace Evangelism Conference, April 13, Brookdale Baptist Church; all of these will be crowned with Associational Areawide Crusade, Sept. 29 - October 4. For these major events training and assistance for individaul churches in structuring visitation, witness, and church strategies programs for evangelism.

Jesus said, "Ye shall be my witnesses". and we shall.

Steve Clark, Evangelism Director

BAPTIST SENIOR ADULTS

Senior Adults are encouraged to be as active as possible in all the churches programs. No special program is promoted specifically for this group.

Baptist Senior Adult work is promoted through The Sunday School Board, SBC. The convention offers training for leaders and help for non-leaders through conferences in various places. Information about them is published in the convention newletter. The convention publishes a small book each year which speaks to one aspect of senior adult life. Senior adult leaders are encouraged to earn a leadership diploma by attending conferences and studying certain books.

The NC State Convention publishes senior adult news in its letter, **Contact.** It is free upon request.

In the association, special information for leaders is given at Key Leadership training; news and information is published in **The Link.**

In May the association Senior Adult Retreat was held at First Baptist Siler City; theme: "Making Good Relationships Better".

In September the Associational Senior Adult Rally was held at Cool Springs Church. It was attended by 73 members from 10 churches, plus 3 guests.

Please call on me for help or information with your church group, and let me know of your successes. It is a privilege to be your director.

Ruth T. Andrew, Senior Adult Director

BAPTIST CHILDREN'S HOMES REPORT

The "Give a child a chance" campaign seeks to raise $11 million over three years to expand Cameron Boys Camp, boost general operating income and increase endowment.

We will also be able to begin a before and after school care program in Davidson County, to give security to children of working couples, who won't have to go home to empty houses anymore.

Baptist Men of NC have agreed to build the new Chuckwagon at Cameron, saving approximately $75,000 in construction costs.

Children's hopes were bolstered by the return of the Thanksgiving Offering During its 12 year absence, BCH has lost more than $1 million in revenue. During this time of change back to the Thanksgiving Offering the Childrens Homes will go 18 months without a special offering, a lost of $400,000. Some churches have promised to begin the Thanksgiving Offering in 1990.

The Cooperative Program continues to anchor our budget planning. We urge renewed commitment to cooperative giving among our NC churches. It is essential for the entire missions enterprise as well as the Children's Homes.

In August, BCH signed an agreement with Gaston County Department of Social Services to operate two emergency care homes owned by the county. That raises to 11 the number of emergency care homes BCH operates.

Kenneth Mabry, Children's Homes Representative

HISTORY OF HUNT SPRINGS BAPTIST CHURCH

On September 23, 1985, a partial survey of the St. Andrews Community was conducted by members of Brookdale, Fellowship and Hickory Grove Churches. This survey, under the leadership of Rev. Ralph Gurganus, Chairman of the Associational Missions Committee, consisted of visits to 95 homes, resulting in a prospect file of 56.

Based on the partial survey findings and the fact that less than one fifth of the homes in the area were visited, Rev. Ernest Davis, DOM, recommended that the Association proceed with the establishment of a Mission in the area. The recommendation was acted on by the Executive Board of the Association, at the February 1986 Meeting. Work proceeded, under the direction of Rev. Glenn Hancock, Chairman of Missions Committee at that time.

The first worship, an Easter Sunrise Service, was held in the Hunt Springs Community Building, on March 30, 1986, with 18 people gathered to worship. Rev. Ernest Davis led in worship with Nancy Pickard as pianist and Jean Walker as song leader. Regular services were begun the following Sunday, April 6, 1986. The Mission at that point was known as St. Andrews Baptist Mission.

On June 15, 1986, Rev. Davis received the first five members into the Mission, with David and Marie Burge, and Billy and Jean Walker coming in the morning and Ray Smith in the evening service. The following Sunday Diane and Chandra Smith came for membership.

Rev. Ernest Davis, Rev. E. P. Warren and Tim Burris preached until the first Sunday in July, 1986, when Rev. Dudley Sistrunk became Interim Pastor. On September 14,1986, the eighth member, Keith Baker, was received upon profession of faith and was the first member to be baptized.

Sensing some confusion in identifying the Mission with a St. Andrews Church of another denomination on the same road and realizing that Hunt Springs is an actual spring located behind the property where the Church worshipped (Hunt Springs Community Building), the membership voted in September 1986 to change the name to Hunt Springs Baptist Church.

Rev. Mark Meadows was called and became the first Pastor on December 1, 1986. In September 1986, 3.76 acres adjacent to the Hunt Springs Community Building was purchased from Barbara Woodley for the sum of $20,500. Ground breaking service was held November 16, 1986. With the support of the Sandy Creek Baptist Association, which sponsored the Mission, the NC Baptist Convention, Churches, and individuals, the land was acquired, and in early December 1986 work began on the first unit of the Church. Along with a $30,000 loan from Brush Creek Baptist Church, gifts from Churches provided funds for completion of the building by April 19, 1987.

On April 26, 1987, the new building was dedicated. It consisted of three classrooms, a temporary Sanctuary, which would later be used as a fellowship hall. The contractor was Russell Foushee, and the building was built with free labor by Church members, other Associational Churches and the community. Mr. Marvin Thomas, a retired contractor, and a member of Jonesboro Methodist Church helped. By late summer of 1987 more classrooms were needed, so a portable classroom was acquired.

In September 1988 with $7,200 in the Church treasury, work was begun on the second phase and by December 1988 the building was completed and paid for. Worship services began in the new buildling on Easter Sunday morning, 1989, just three years from the first service of the Mission. With the completion of this phase, the church had twelve classrooms, five bathrooms, Pastor's study, fellowship hall with kitchen, a baptistry and sanctuary with a small balcony.

In October, 1987, a request was made to the Sandy Creek Association that the Mission be chartered as a Church at the next meeting of the Association. After one year, in October, 1988, the Mission was granted membership into the Sandy Creek Asssociation, as the 40th Church. There were 71 Charter Members. The Deacons at the time of the charter were: Steve Carpenter, Allen Faulk, Truman Fore, Ray Smith, Jesse Tillett and Billy Walker.

In March of 1990 in Church Conference, the membership voted to apply for incorporation with the State of North Carolina. So granted August 11, 1990. As of October 1990, membership has grown to 184. Truly, this is a church which is growing together in the Family of God!

SHUBAL STEARNS

Little is known of Shubal Stearns' early life. He was born January 28, 1706, in Boston, son of Shubal Stearns, Sr., and Rebecca Larriford Stearns. His wife was Sarah Johnstone. They had no children.

Shubal Stearns is remembered as the organizer of Sandy Creek Baptist Association.

Each year at our annual meeting we honor him by recalling some of his accomplishments, and we make a contribution to the church where he is buried and has a monument.

In his early years in New England he became interested in a group call New-Light Separtists, because they wished to be separated form the established church in New England, the Congregational Church.

He became Baptist in 1751. In his preaching he emphasized the doctrine of the new birth, believers free justification and the autonomy of each congregation.

Shubal Stearns learned that in the Piedmont section of North Carolina - there preaching was greatly desired - that in some instances people would ride 40 miles to hear one sermon.

On November 4, 1755, eight families arrived at Sandy Creek and they soon erected a small meeting house called Sandy Creek Baptist Church.

So great were the results of Shubal Stearns preaching that in seven years 42 churches and 125 ministries had come from these small beginnings.

Shubal Stearns died November 29, 1771.
